### DR. M'LANE'S CELEBRATED

# -LIVER PILLS,

FOR THE CURE OF Mepatitis or Liver Complaint, DYSPEPSIA AND SICK HEADACHE.

Symptoms of a Diseased Liver.

DAIN in the right side, under the edge of the ribs, increases on pressure; somei ames the pain is in the left side; the paient is rarely able to lie on the left side; sometimes the pain is felt under the shoul, der blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the arm. 3 The stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a pain. ful sensation of having left undone some-thing which ought to have been done. A elight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits re low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough totry it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

### AGUE AND FEVER.

DR. M'LANE'S LIVER PILLS, IN CASES or Ague and Fever, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with this disease to give them a fair TRIAL.

## QUACKS CONFOUNDED.

Rheumatism and Gout have heretofore been considered by the ordinary practising physicians as incurable diseases, and the query has often been propounded, of what benefit to the helpless sufferer is all their pretended science; and what doth it avail, -their long and tedious course of study-if they are obliged to acknowledge that all their resources are to no account when called upon to prescribe for a patient suffering from chronic rheumatism. The great trouble lies in the fact that the mode of investigation is prescribed within certain boundaries and limitations compelling the student to tread in certain well-worn paths, or suffer disgrace and excommunication from that highly respectable order of mortals known as the Medical Faculty. How often genius has been curbed in its flights of investigation can easily be imagined. And often really grand and beneficial discoveries have been placed under the ban of censure by those self-constituted censors, for no reason whatever, but that they are innovations upon a stereotyped and time honored prescription. It was not so, however, with the proprietor of the

#### Diamond Rheumatic Cure,

for his high standing in the profession, and the learning and science of an able mind, quickly compelled the canson to succumb, and now physicians generally, all over the world, where this medicine is introduced, admit of its wonderful efficacy, and often prescribe it for their patients. Of course the use of the DIAMOND RHEUMATIC CURE, without the aid of a physician, is a saving in fees to the sufferer, but the really consciention physician should rejoice at this, for the reason of the general benefits arising to mankind from its use.

#### BEAD WHAT THE PEOPLE SAY. MONTREAL, 21st March, 1871.

Mesers. Davins & Bolton: Dear Sirs-I with pleasure concede to the Agents wish that I give my endorsation to the immediate relief I experienced from a few dos s of Dr. Miller's Diamond Rheumatic Cure, having been a sufferer from the effects of Bheumatism, I am now after taking two bottles of this medicine, entirely free from pain. You are at liberty to use this letter, if you deem it stivisable to do so.

I am, Sir, yours respectfully, JOHN HELDER ISAACSON, N.P. MONTREAL, 17th March, 1874.

Messrs. Davins & Bolron: Gentlemen—I have suffered much with rheumat ism, so much so that I was obliged to stay at home a certain time. I heard Mr. O'Neill, of the St. Law. rence Hall, speaking of your remedy. I asked him to get me a bottle immediately, which he did with great kindness. To my great surprise that bottle has cured me entirely, and I never felt better in my life. I attribute the use of my limbs to the "Dia mond Rheumatic Cure."

JAMES GALLACHER 58 Juror Street, Corner of Hermine. A BLESSING TO THE POLICE. Morrana, 18th June, 1874.

DEVINE & BOLTON: Gentlemen-Having been one of the many man tyrs of rheumatism that I meet on my every day rounds, I was induced to try the celebrated DIA-MOND RHEUMATIC CURE. I had suffered the last five or six weeks the most terrible acute pains across my loins and back, so severe indeed that I bould hardly walk with the help of a stick. I com-menced the Diamond remedy, following the directions carefully,—relief came immediately with the first bottle; improved rapidly with the second, and completely cured and free from pain after finishing my fifth small bottle. You are at perfect liberty either to refer to me privately or publicly, as I feel very thankful for the relief, and sympathise with my fellow-sufferers from Rheumatism.

Yours respectfully, J. B. CORDINOE, Banitary Police Officer, 51 Labelle Street. FURTHER PROOF.

TORONTO, March 39, 1874. Dear Sir-After suffering for the past two years with Rheumatism, I can truly say that, after using two bottles of the DIAMOND RHEUMATIC CURE, I find myself free from that terrible disease. I have used all kinds of remedies and Doctor's prescriptions without end, but your simple remedy surpasses all. The effect upon me was like magic. I take great pleasure in recommending your medicine to

#### I remain, MARGARET CONROY,

127 Sumach Street. This medicine is prepared by a careful experienced and consolentious physician in obedience to the desire of numberless friends in the profession, in the trade and among the people. Every bottle is warranted to contain the full strength of the medicine in its highest state of purity and development, and is superior to any medicine ever compounded for this

terrible complaint.
In simple cases sometimes one or two doses suffice. In the most chronic case it is sure to give way by the use of two or three bottles. By this efficient and simple remedy hundreds of dollars are sayed to those who can least afford to throw it away, as surely it is by the purchase of useless prescriptiòns. : i
