DE LA SALLE INSTITUTE, Nos. 18, 20 & 22 Duke Street, Toronto, Ont.

DIRECTED BY THE CHRISTIAN BROTHERS. This thoroughly Commercial Establishment is under the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City.

Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with.

The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank—now adapted to educational purposes—the ample and well-devised play grounds and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" whatever its directors could claim for it, or any of its patrons desire.

The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country. With greater facilities than heretofore, the Christian Brothers will now be better able to promote the physical, moral and intellectual development of the students committed to their care.

The system of government is mild and paternal yet firm in enforcing the observance of established discipline.

No student will be retained whose manners and morals are not satisfactory: students of all denominations are admitted.

The Academic Year commences on the first Monday in September, and ends in the beginning of July.

FITS! FITS! FITS!

CURE OF EPILEPSY; OR, FALLING FITS. BY HANCOCK'S EPILEPTIC PILLS.

Persons laboring under this distressing malady, will find Hancock's Epileptic Pills to be the only remedy ever discovered for curing Epilepsy or Falling Fits. The following certificate should be read by all the afflicted; they are in every respect true, and should they be read by any one who is not afflicted himself, if he has a friend who is suffering, he will do a humane act by cutting this out and sending it to him.

A MOST REMARKABLE CURE. PHILADELPHIA, June 29th, 1867.

ST. HANCOCK, Baltimore, Md.—Dear Sir: Seeing your advertisement, I was induced to try your Epileptic Pills. I was attacked with Epilepsy in July, 1865. Immediately my physician was summoned, but he could give me no relief. I then consulted another physician, but I seemed to grow worse. I then tried the treatment of another, but without any good effect. I again returned to my family physician, who cupped and bled several different times. I was generally attacked without any premonitory symptoms. I had from two to five fits a day, at intervals of two weeks. I was often rendered almost insensible, and would fall wherever I would be, or whatever I occupied with, and was severely injured several times from the falls. I was affected so much that I lost all confidence in myself. I was obliged to give up my business, and I consider that your Epileptic Pills cured me. In February, 1866, I commenced to use your Pills, and only had two attacks afterwards. The last one was in July, 1867, and they were of a less serious character. With the blessing of Providence your medicine was made the instrument by which I was cured of this distressing affliction. I think that the Pills and their good effects should be made known everywhere, that persons who are similarly afflicted may have the benefit of them. Any person wishing further information can obtain it by calling at my residence, No. 530 North Third St., Philadelphia, Pa. WILLIAM ELDEN.

IS THERE A CURE FOR EPILEPSY? THE SUBJUDICED WILL ANSWER.

GRENADA, Miss, June 30.—S. HANCOCK.—Dear Sir: You will find enclosed five dollars, which I send you for two boxes of your Epileptic Pills. I was the first person who tried your Pills in this part of the country. My son was badly afflicted with fits for two years. I wrote for a receipt and tried your Pills, and they cured him according to directions. He has never had a fit since. It was by my persuasion that Mr. Lyon tried your Pills. His case was a very bad one, but he has since had no fits. I have written to you from Alabama and Tennessee on the subject, for the purpose of ascertaining your opinion in regard to your Pills. I have always recommended them, and in my opinion where I have had a chance of hearing from their effect have they failed to cure. Yours, &c., Talabush Country, Miss. G. W. LYON.

ANOTHER REMARKABLE CURE OF EPILEPSY; OR, FALLING FITS. BY HANCOCK'S EPILEPTIC PILLS.

MONTROSE, Texas, June 29th, 1867. To S. HANCOCK.—A person in my employ had been afflicted with Fits, or Epilepsy, for thirteen years; he had these attacks at intervals of four or five days, and sometimes several in quick succession, sometimes continuing for two or three days. On several occasions they lasted until his mind appeared totally deranged, in which state he would continue for a day or two after the fits ceased. I tried several remedies prescribed by our resident physicians, but without success. Having seen your advertisement, I considered it worth a trial, and I obtained two boxes of your Pills, gave them according to directions, and they effected a permanent cure. The person is now a strong, healthy man, about 30 years of age, and has not had a fit since he commenced taking your medicine. He has since time he was my principal wagoner, and has since then been employed in the service of the same firm. I have great confidence in your remedy, and would like every one who has fits to give it a trial. E. L. DEFRANCE.

STILL ANOTHER CURE. Read the following testimonial from a respectable citizen of Grenada, Mississippi.

S. HANCOCK, Baltimore, Md.—Dear Sir: I take great pleasure in relating a case of Epilepsy cured by your valuable Pills. My brother, J. J. Jigon, has long been afflicted with this awful disease. He was first attacked while quite young, and would have one or two spasms at one attack at first, but as he grew older they seemed to increase. Up to the time he commenced taking your Pills he had the worst of the disease, and he was not able to do any kind of work. His mind had suffered seriously, but now, I am happy to say, he is cured of this disease. He has cured his family of the disease, and his mind has also returned to its original brightness. All this I take great pleasure in communicating as it may be of service to some other afflicted person. Yours, respectfully, etc., W. P. LIXON.

Sent to any part of the country, by mail, free of postage, on receipt of a remittance. Address, S. HANCOCK, 128 Baltimore St., Baltimore, Md. Price, one box, \$1.00; two boxes, \$2.00. Please mention where you saw this advertisement.

Ayer's Hair Vigor, For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color.

Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.
