DOCTRINAL AND SCRIPTURAL CATECHISM, by the Rev. Pere Collet, Doctor of the Sorbonne. Translated from the French, by Mrs. J. Sadlier. For the use of the Brothers of the Christian Schools.

This is considered by competent judges as the most complete and at the same time, the most concise Catechism of the Christian Religion, and of Scripture History that has yet been offered to the public. It is admirably adapted for adults requiring instruction, as well as for children. The answers are so condensed that they are easily committed to memory; and there is not a single point connected with religion, either of doctrine, discipline, or ceremonial, that is not fully explained.

We know that this work requires only to be known to score for it a very wide circulation. In order to place the work within the reach of every person, we have determined to put it at the following low prices: 12mo. 440 pages, half bound, its 104d; muslin, 2s 6d; to schools and colleges we will put them at \$25 per 100.

The main object of this story is to bring under the notice of activolies in America, and of Irish Catholies in particular, the activolies system of proselytising going on from day to day and from year to year in the remote and famine stricken districts of the starving poor are incessantly assailed, and their steadfast faith of their fathers.

CATECHISM OF GEOGRAPHY. For the use of the Brothers of the Christian Schools.

This will supply a want long felt by Catholies, as their children were obliged to study geography, if at all, from books which represented the people of every Catholic country as "ignorant, superstitions and revengeful."

We have in preparation a number of new works, which will appear early in the spring.

DR. HALSEY'S

GUM-COATED FOREST PILLS.

SUPERFLUITY of Bile may always be known by some infavorable symptom which it produces, such as sick stomach, headache, loss of appetite, bitter taste in the mouth, yellow tint of the skin, languidness, costiveness, or other symptoms of a similar nature. Almost every person gets bilious, the nerlect of which is sure to bring on some dangerons disorder, frequently terminating in death. A single 25 cent box of Dr. Halsey's Gum-coated Forest Pills, is sufficient to keep a whole family from bilious attacks and sickness, from six months to a year. A single dose, from 1 to 3 of these mild and excellent Pills for a child; from 3 to 4 for an adult; and from 5 to 6, for a grown person, carry off all bilious and morbid matter, and restore the stomach and bowels, carring and preventing all manner of bilious attacks, and many other disorders.

SALTS AND CASTOR Off

SALTS AND CASTOR OIL.

No reliance can be placed on Salts or Castor Oil. These, as well us all common jurgatives, pass oil without touching the bile, leaving the bowels costive, and the stomach in as bad condition us before. Dr. Halsey's Forest Pills act on the gaul-ducts, and carry all morbid, bilious matter, from the stomach and bowels, leaving the system strong and buoyant—mind clear; producing permanent good health.

NOTICE TO THE PUBLIC.

In 1845, Dr. Halsey's Pills were first made known to the public, under the denomination of "Halsey's Sugar-coated Pills." Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great success excited the avariee of designing men, who commenced the manufacture of common Pills, which they coated with Sugar, to give them the outward appearance of Dr. Hulsey's, in order to sell them under the good will Dr. Hulsey's Pills had gained, by caving thousands of disease.

The public are now most respectfully notified, that Dr. Hulsey's genuine Pills will hence

GUM ARABIC,

an article which, in every respect, supersedes Sugar, both on account of its healing virtues, and its durability. The discovery of this improvement, is the result of a succession of experiments, during three years. For the invention of which, Dr. Halsey has been awarded the only patent ever granted on Pills by the Government of the United States of America.

Pills by the Government of the United States of America.

The Gram-coated Forest Pills presents a beautiful transparent glossy appearance. The well-known wholesome qualities of pure Gum Arabic, with which they are coated, renders them still better than Dr. Halsey's colorated Sugar-coated Pills.—The Gum-coated Pills are never liable to injury from dampness, but remain the same, returning all their virtues to an indefinite period of time, and are perfectly free from the disagreeable and nanscating taste of Medicine. In order to avoid all impositions, and to obtain Dr. Halsey's true and genuine Fills, see that the label of each box bears the signature of G. W. HALSEY.

If you desire a mild and gentle purgative, which neither nausentes nor gives rise to griping, seek for HALSEYS PILLS. If you would have the most concentrated, as well as the best compound Sursaparilla Extract in the world, for purifying the blood, obtain Dr. HALSEY'S PILLS.

If you do not wish to fall a victim to daugerous illness, and be subjected to a Physician's bill of 20 or 50 dollars, take a dose of Dr. HALSEY'S PILLS as soon as unfavorable symptoms

are experienced. If you would have a Medicine which does not leave the bowels costive, but gives strength instead of weakness, procure HALSEY'S PLLES, and avoid Sales and Castor Oil, and all

common purgatives.

Parents, if you wish your families to continue in good health, keep a box of HALCEY'S PILLS in your house.
