By his Brother. 12.—TALES OF FIVE SENSES, and NIGHT AT SEA.

The Works will also be bound in cloth extra, and issued in Ten Monthly Volumes, at One Dollar per Volume. Sent free by post to any part of the United States. In presenting to the American public, a first edition of the Works of Gerald Griffin, the Publishers may remark that it will be found to be the only complete one. Neither in the London nor Dublin editions, could the Publishers include the historical novel of "The Invasion," and the celebrated tragedy of "Gyssipus." As we are not subject to any restriction arising from the British copyright, we have included the former with the prose, and the latter with the poetical works of the Author.

We are also indebted to near relatives of Mr. Griffin, residing in this country, for an original contribution to this edition, which will be found gratefully acknowledged in the proper places. As the life of the Author forms the subject of one entire volume, we need say little here, of the uncommon interest his name contains to excite. Unlike the majority of writers of fiction, his reputation has widely expanded since his death. In 1840, when he was laid in his grave, at the early age of seven and thirty, not one person knew the loss a pure literature had sustained, for fifty who now join veneration for his virtues, to admiration for his various and delightful talents. The goodness of his heart, the purity of his life, the combined humor and pathos of his writings, all promise longevity of reputation to Gerald Griffin.

"He had kept The whiteness of his soul, and so men o'er him wept." He united all the simplicity and cordiality of Oliver Goldsmith to much of the fiery energy and manly zeal of Robert Burns. His life does not disappoint the reader, who turns from the works to their author: it is indeed, the most delightful and harmonious of all his works. From his childish sports and stories by the Shannon, until his solemn and enviable death beside "the pleasant waters" of the Lee, a golden thread of recitatives runs through all his actions. A literary adventurer in London at nineteen, with a Spanish tragedy for his sole capital, famous at thirty, a religious five years later, a tenant of the Christian Brothers Cemetery at thirty-seven—the main story of his life is soon told. Over its details, we are confident, many a reader will fondly linger, and often return to contemplate so strange and so beautiful a picture. Out of his secret heart they will find sentiments issuing not unworthily of St. Francis de Sales, while from his brain have sprung creations of character which might have been proudly fathered by Walter Scott. Canvasers wanted in every part of the United States and Canada to Sell this Work. D. & J. SADLIER & CO., Cor. Notre Dame and St. Francis Xavier Streets, Montreal, C.E.

Will be ready on the 20th of March, (NEW AND REVISED EDITION.) THE LIFE OF ST. ELIZABETH OF HUNGARY, by the Count de Montalembert. The Life, translated by Mary Hackett, and the Introduction, by Mrs. Sadlier. 12 mo., of 427 pages, with a fine steel engraving. Cloth, 5s; cloth gilt, 7s 6d. The first edition of Three Thousand having all been sold, and there being many calls for the work, we have put to press a New Edition. The translation has been read over with the French copy and carefully corrected. Of the merits of the work, we can safely say, that no biography ever issued from the American Press equals it—it is as interesting as a romance. The Press have been unanimous in praise of the first edition. We give extracts from a few of them: "The book is one of the most interesting, instructive, and edifying that have been produced in our times, and every Catholic will read it with devout thankfulness to the Almighty God, that he has been pleased to raise up, in this faithless age, a layman who can write so edifying a work. It is marked by rare learning, fine artistic skill, and correct taste; and breathes the firmest faith and the most tender piety. His work is as refreshing as springs of water in a sandy desert. Let every one who can read purchase and read this beautiful Life of one of the most lovely and most favored Saints that have ever been vouchsafed to hallow our earthly pilgrimage."—Brownson's Review. "The whole introduction shows the hand of a master, and it loses nothing in Mrs. Sadlier's racy and elegant English. It enhances the merit of the work, which, in the Dublin edition, was published without this essential preface. Of the Life itself, we cannot speak too highly. The exquisite character of the dear St. Elizabeth, (as the good Germans have at all times styled her), is brought out with a clearness, a tenderness, and a vigor, which bring tears from the heart. We do not think there is any book of the kind in English, at all to be compared to this 'Life of Saint Elizabeth.'—American Celt. "We might say much in praise of the narrative and Life of St. Elizabeth, attending which, from the beginning to the end, is a charm which cannot fail to attract and secure the attention of the reader, did not the well known abilities of this distinguished author render it unnecessary. We cheerfully recommend the work to our readers."—Pittsburg Catholic. "This magnificent work of the great French Tribune of true liberty, has at last been translated into English. The name of its Author is a sufficient guarantee for the value of the work. Montalembert is one of the lights of the age—a man who combines rare power of intellect, with unswerving devotion to the cause of liberty and the Church. Let every one who desires to study the spirit of the Middle Ages, read this book."—Catholic Telegraph. D. & J. SADLIER & CO., Cor. Notre Dame and St. Francis Xavier Sts.
