Mercantile Summary.

HOLE's implement warehouse, etc., J. J. Smith's lumber yard and grain and hardware storehouses, and several other buildings, in Winnipeg, were last week destroyed by fire, the loss being about \$40,000.

—"We have here," said the imp, "the inventor of the fountain pen. What shall we do with him?" "Treat him with all courtesy," replied his satanic majesty. "He has been responsible for more cuss words than any other one man."—Chicago Post.

THE new steamer, "Westmount," for the Montreal Transportation Company, built at Newcastle-on-Tyne, has arrived in Montreal with a cargo of railway iron from Antwerp. She will be used on the route between Kingston and upper lake ports for carrying grain.

THE London & Western Trusts Co., Limited, London, Ont., are about ready to move into new and more commodious quarters at the corner of Dundas and Richmond streets in that city. These new offices will be in many ways better suited to a growing business. Recently this company has been appointed administrator in a number of estates, among them being those of Mrs. Helen Moncrieff, probated at \$47,000; Richard Shaw-Wood, \$393,000, and Oliver McClary, \$145,000.

THE electrical works of the Westinghouse Company, of the United States, soon to be erected in Hamilton will be very extensive. The company is capitalized at \$2,500,000, and Mr. Frederic Thorn, with A. W. Warren, represent it in Canada. W. Y. Soper, of Ottawa, is one of the directors. The new company will locate on property, eleven acres in extent, adjoining the present Westinghouse works, in Hamilton, and will employ from 800 to 1,000 hands. The Westinghouse Air Brake Company, already at work there, will also double its capacity forthwith.

THE Canadian Electrical Association, which held its convention in Toronto last week, elected the following officers for the ensuing year: President, J. J. Wright, manager of the Toronto Electric Light Company; first vice-president, K. B. Thornton, of the Montreal Light, Heat and Power Company; second vice-president, A. A. Wright, M.P.P., Renfrew; secretary-treasurer, C. H. Mortimer, of the Electrical News, Toronto. Executive Committee, re-elected for a second term: John Yule, manager, Guelph Light and Power Company; A. B. Smith, superintendent, G.N.W. Telegraph Company, Toronto; P. G. Gessler, electrical engineer, Montreal Light, Heat, and Power Company; A. A. Dion, Ottawa Electric Company, and Gordon Henderson, Cataract Power Company, Hamilton. Elected for a first term: H. O. Fishe, C. B. Hunt, B. F. Reesor, manager Electric Light and Power Company, Lindsay, and C. M. Green. Next year's convention will be held in Hamilton.

ON Saturday last, the Allan ship
"Norwegian" went ashore in a dense
fog, at Larkin's Point, ten miles north-
west of Cape Ray, Newfoundland: She
has on board a cargo valued at about
\$150,000, consisting of grain, cheese, lard,
etc., besides cattle. The vessel was one
of the staunch old kind, having been
built in Glasgow, as long ago as 1865.
