Mercantile Summary.

MESSRS. DODD & Co, proprietors of the Do-
minion Cloth and Leather Works, Toronto, has
suspended with liabilities of about \$5,000, and
very small assets.

A fog bell is to be placed at the entrance to
the Toronto Harbor; it will be of much service
to the lake trade.

THE INJURIOUS effect of prohibitory duties
is well illustrated by the change which has oc-
curred in the salt trade of Canada since the
announced reduction in the American tariff.
As in the case of many other articles, this coun-
try can produce a large surplus of salt for ex-
portation; indeed it seems that the demand at
paying prices is the only ascertained limit to
the production. With lower duties it is believ-
ed that a considerable export trade can be pro-
fitably carried on with the American cities on
the lakes, hence the rise of 12c to 15c per bar-
rel within the past week.
