LIVERPOOL MARKETS.

[Received by this week's mail, and compiled expressly for the 'Canadian Illustrated News.']

Table with columns for 'PORK PER BRL.', 'WHEAT P/R CENTAL 100 LBS', 'FLOUR PER BBL.', 'LARD PER CWT.', 'CHEESE PER CWT.', 'BUTTER PER CWT.', 'PEAS PER 504 LBS.', and 'PETROLEUM.' containing various market prices.

Table with columns for 'American Crude per ton, of 262 imperial gallons.', 'Canadian do do do', 'Refined, burning, best quality per gallon.', 'Do do good do', 'Lubricating per ton, black, green and brown', and 'Do do best yellow'.

There has been no activity in our provision market this week, and prices for most articles remain without change. Beef is dull of sale, and with heavy arrivals lower prices must be accepted to induce business.

For fine new Eastern pork there is a fair enquiry, the stock being limited, but old is quite neglected. Bacon meets with a good consumptive demand, and in some instances higher prices have been obtained. Hams sell slowly and are only in limited request. Shoulders quiet.

Lard—The sales this week are 400 tons, at an advance of 6d. per cwt., which is fully maintained.

Prices of cheese are firm, the demand being moderately active.

For really fine butter there is a retail demand, but medium and low sorts are very unsaleable.

Tallow rather lower. Linseed cake without change.

The corn market has been depressed this week, and both flour and wheat are difficult to move, except at a decline.

The weather is unusually mild for the season.
