

FRIENDS having business in New York city will find the Grand Union Hotel, on 42nd Street, opposite Grand Central Depot, one of the best of the many hotels in the city. It has recently been refitted nearly throughout, and its accommodations are all first-class. Its manager, Mr. W. D. Garrison, is always attentive to the wants of his guests, and insists that the same attention shall be shown by every employee under him. We have tried the Grand Union on many occasions for a number of years past, and can cordially recommend it and its genial host to our friends, when either pleasure or business calls them to the metropolis.

I CURE FITS!

When I say cure I do not mean merely to stop them for a time and then have them return again. I mean a radical cure. I have made the disease of FITS, EPILEPSY or FALLING SICKNESS a life-long study. I was the first to find a remedy to cure the worst cases. Because others failed to do so, I am now receiving a large number of testimonials and a Free Bottle of my Infalible Cure, by Express and Post Office. It costs you nothing for a trial, and I will cure you. Address DR. H. G. ROOT, Branch Office, 37 Yonge St., Toronto.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and Eustachian tubes. Microscopic research has proved this to be a fact, and the result is that a simple remedy has been formulated whereby these cases are cured in from one to three simple applications made at home. A descriptive pamphlet is sent free on receipt of stamp, by A. H. DIXON & SON, 33 1/2 King Street West, Toronto, Canada.
