

3. With respect to nuclear material subject to this Agreement, compliance with the provisions of paragraph (2) of this Article shall be verified by the Agency. In Canada, such compliance shall be verified by the Agency pursuant to its safeguards agreement with Canada in connection with the NPT. In China, this requirement is satisfied where nuclear material subject to this Agreement is subject to China's voluntary offer agreement with the Agency.

ARTICLE VIII

1. Nuclear material shall remain subject to this Agreement until:
 - (a) it is determined that it is no longer usable or practicably recoverable for processing into a form in which it is usable for any nuclear activity relevant from the point of view of safeguards referred to in Article VII of this Agreement. Both Parties shall accept a determination made by the Agency in accordance with the provisions for the termination of safeguards of the relevant safeguards agreement to which the Agency is a party;
 - (b) it has been transferred from the territory of the recipient Party in accordance with the provisions of Article V of this Agreement; or
 - (c) otherwise agreed between the Parties.
2. Material and equipment shall remain subject to this Agreement until:
