- d. Even without the free trade agreement between Canada and the United States, most of the job losses and industrial restructuring that Canada is experiencing today would have occurred anyway because of changes in the global economy...10....8.....13....15....19....17....16.....2
- e. I see the North American free trade agreement as part of an overall plan by the government to improve Canada's trade situation with countries around the world.....8.....6.....10....15....26....18....15.....2
- f. From what I've heard, Canada gave away too much to the Americans and Mexicans in the NAFTA.....5.....6.....9....16....15....16....20.....12
- g. I think the government has a good idea of how to deal with the changes the North American free trade agreement will bring in Canada.....16....15....16....19....19....8....4.....3

24. Some people say that by signing the North American Free Trade Agreement, Canada will tie itself too closely to the U.S. and Mexico and will cut itself off from countries outside North America.

Other people say that Canada should sign the North American Free Trade Agreement because Canada needs freer trade with the U.S. and Mexico now in order to increase its exports while it continues to work toward freer trade with other countries.

Which of these two viewpoints is closer to your own?

Cut itself off.....32
Should sign.....60

25. Some people say that Canada has to be part of the North American Free Trade Agreement so that Canada will be an attractive location for plants to supply that whole North American market.

Other people say that under the North American Free Trade Agreement, any new investment in Canada will be cancelled out by plants moving from Canada to Mexico.

Which viewpoint is closer to your own?

Attractive location.....38
Cancelled out.....56
