

By unanimous consent, at 5.00 o'clock p.m. the hour for Private Members' Business was set aside in order to permit the House to proceed to Supply Order No. 3.

Whereupon, the Order for the House to resolve itself into Committee of Supply being read for the third time pursuant to Standing Order 56(2);

Mr. Gordon, seconded by Mr. Pickersgill, moved,—That Mr. Speaker do now leave the Chair.

And the question being proposed;

Mr. Diefenbaker, seconded by Mr. Starr, moved in amendment thereto,—That all the words after "That" be deleted and the following substituted therefor:

"this Government, because of its confusion, inconsistency, and pusillanimous dawdling and delays in taking effective action, has encouraged chaos approaching anarchy to develop on the Great Lakes, the Seaway and in several Canadian ports, thereby causing disruption in shipping and the placing in jeopardy of essential trade in general, and in particular contracts for delivery of wheat to foreign countries."

And debate arising thereon and continuing; the said debate was interrupted at ten o'clock.

A Message was received from the Senate informing this House that the Senate had passed Bill S-37, An Act to amend the Carriage by Air Act, to which the concurrence of this House is desired.

By unanimous consent, the House reverted to "Motions".
