Sir Arthur W. Currie,
Principal and Vice-Chancellor,
McGill University,
Montreal, QUE.

My dear Sir Arthur:-

Many thanks for yours
of the 13th inst. I hope what I told you will do
some good, as I would not have done it if I had not
been convinced things were not right and since
speaking to you, I have heard the same thing repeated.

If you happen to be at
Knowlton, or would call him up on the phone, Mr. Arthur
Bates, Manager of the Brome Lake Duck Farm, and possibly
one of our best poultry men, could give you some details.

Yours very truly,

Kenneth T. Dawes
