

FAILURES IN AMERICA IN 1857 AND 1858.

The following tables of Statistics regarding the number of failures which have occurred in the United States and Canada, have been compiled by Messrs. B. Douglass & Co., of the Mercantile Agency, New York, from the immense mass of information, which the magnitude of their establishment and business relations has placed them in possession of.

Apart from the facts with which they are pregnant, they will form, in all time coming, interesting memento of a most eventful commercial epoch.

STATISTICS AS TO FAILURES FROM DEC. 25, 1857, TO DEC. 25, 1858.
