

REV. AND DEAR BRETHREN,

The delay in printing this Charge has arisen solely from want of time to correct the manuscript. Every day has brought with it some fresh and pressing duty, which I hope will plead my excuse. In reviewing the manuscript I have been enabled to add a few notes in confirmation or explanation of my views. In other respects the Charge is the same as when delivered *viva voce*, and it is submitted to you in the same spirit in which it was delivered — in earnest hope and with fervent prayer that it may be both useful and acceptable to you.

I am,

Reverend and dear Brethren,

Your affectionate brother
and servant,

EDWD. NEWFOUNDLAND.
