

**Concrete
Cases**

A scoundrel bearing a French-Canadian name is at this writing in prison in Buffalo for endeavoring to force his 21-year old Toronto bride into a house of ill-fame, intending no doubt to be her "cadet" and live at ease on her "earnings."

Two other young villains from Ottawa were recently convicted in Ogdensburg of procuring for immoral purposes two foolish girls whom they had induced to go from the Dominion Capital "for a lark," and are now doing time in the Federal Penitentiary at Atlanta, Georgia.

These are sample instances of recent occurrence. Many others might be given.

**Now being Deported
Back to Canada**

The American authorities, with commendable energy are both legislating and enforcing the laws against procuring and prostitution. Their Federal Law directs that any alien woman found living the life of shame, within three years of the time of her entry into the States, shall be sent back to the country from which she came, as an "undesirable."

A recent Pittsburg, Penn., despatch, announced the deporting back to Canada of nearly a score of Canadian girls discovered in raids upon the segregated area of the Steel Metropolis.

Two other Canadian girls, whose friends thought they were in honorable employment in New York State were a few weeks ago returned under this law to the Ontario village where their paternal home is.

These also are but samples of many available instances. And we may expect many more in the future. What shall we do with these, our own Canadian daughters, who went out from their homes pure, strong, hopeful, and are thus sent back as "undesirables"? We must be ready to give them refuge, and in mercy, love and patience to reclaim, and by the grace of God, to save them.

**Canada Receives as
well as Gives Victims**

Canada is to-day the Mecca of the immigrant from all lands. Its lands are wondrous wide, its grain and sand and rock are indeed golden. Men are wanted. So are women—young women—for domestics, waitresses, wives. Here then is the slaver's golden opportunity. Men and women (!) hunt and bait and ensnare them, even as the wild things of the forest are hunted, baited and ensnared. It is easy to do. The true stories of demand and opportunity and success that the mails bear back to every land make the deception of victims and immigration officials, and Moral and Social Reform agents, alike easy.
