WHIPPING FINISHES GRAND CIRCUIT HEATS

Free-For-All Pace Is Declared Off
—Parade of Pop Geers' Winners.

CHICAGO, Aug. 14.—There were only three races on today's Grand Circuit program, but they furnished plenty of excitement. There was a whipping finish in almost every heat and the winning margins always were narrow. Two of the three entries in the free-for-all pace, which was included in the original card, were scratched, and the race was declared off.

Marigold took the 2:08 trot in straight heats. View Elder was returned winner of the 2:12 pace after five heats, and Grand Marshal captured the 2:18 trotting in four.

Eleanor G. led all the way in the first heat of the 2:18 trot, but Grand Marshal was the best in the next three. Frances Graham was always near the front, finishing second in every heat, but Geers could not quite land her ahead.

Both Cheery and Peter Thompson made a poor showing in the 2:08 trot. Marigold was always ahead in the first heat. In the second Murphy kept her back until entering the stretch, when he sent her along to win with ease.

An unusual feature this afternoon was the parade in front of the stand of the three horses which Geers had driven to victory in the M. & M. They were Doodle Archdale, winner in 1910; Anvil, winner in 1911, and Reusens, 1913. The first two of these are in the free-for-all trot tomorrow, the third contender in which will be Cascade. Summary:

AMATEUR LACROSSE O. A. L. A. SEMI-FINALS

Hanover Wins Round From Meaford—Preston Juniors Win.

At Meaford, the return game of the Intermediate O. A. L. A. semi-finals between Hanover and Meaford resulted in a tie, 6 all. The game was fast and rough at times, and but for the ability of Secretary Frank Doyle, who had charge of the game, it might have been a hard-fought game. The Meaford team had a much harder proposition before them than in the last game, as the Meaford team had the better of the play, and if a moderate score had to have been overcome they could have expected themselves and accomplished this. The result, however, gives the round to Hanover. The line-up of the two teams was the same as at Hanover on the 6th inst.

BUNNY HEARNE WILL GO TO MCGRAW'S CLUB

President McCaffery when shown the despatch from Jersey City telling of the offer of New York for pitcher Hearne, confirmed the report, and stated that in all likelihood Bunney would become a member of the Giants.

"I tried to draft him from Springfield a year ago after being tipped off to him by McGraw, but I lost him in the draw. Later, when in New York, I was talking to McGraw and his scout regarding Hearne, and was told by the scout that he could secure Hearne for me at the draft price. I told him to go ahead and he did so.

"The unfortunate part of it is if I do not give McGraw a chance at him he will be drafted anyway. I have no choice in the matter.

"Then again, if we sell Hearne one other player will probably be drafted when they begin to pull straws for players on Aug. 26."

McCaffery regrets the fact that he will lose Hearne, but the chances all are that he will go to New York. McGraw offers \$5000 for the player, and wants him at once. He cost Toronto \$750, and has given the club good service.
