St. Michael's College won their second game of the week when they swamped McMaster in an Intermediate Intercollegiate fixture at the Stadium yesterday 46 to 8.

The Saints had Canfield and Ryan, the two men who have been working with Varsity seniors, and St. Miques supplied a sterling brand of football. They showed some pretty trick plays that were pulled off with a snap that was good to look at. Their line held superbly, and they tackled like fiends and bucked for yards time without number.

Canfield worked as a half, and his running was a big factor in the victory. Corkery, a new man this year, was very useful with some runs despite the handicap of a damaged hand, received in the game with Varsity on Monday. Broderick's kicking was up to his usual good style. He converted four tries in nice fashion. The Saints failed to show a weak spot anywhere, and look good to defend their tuile of champions.

The Saints opened with a dash. Broderick kicked and ran his wings onside, Canfield went over and Broderick, converted. Philipott muffed five yards out and Colgan secured and went over for the second try, that was also converted by Broderick. Canfield was forced to rouge for McMaster's first point. Canfield dumbled one and McMaster were in posseasion ten yards out. Philpott kicked behind and Corkery was forced to rouge for McMaster's first point.
