Leaving Toronto 2 p.m. Returning to City 10,30 p.m Tickets good going Friday or Saturday after-

COURT OF REVISION RE SIDEWALL

Take notice that the Municipal Council of the Corporation of the Town of North Toronto intends to construct and lay down a tar, gravel and plank sidewalk (4 feet in width) upon and along the southerly side of Balliol-street, from its intersection with the easterly limit of Yonge-street, easterly along the southerly side of said Balliol-street, to connect with a similar sidewalk, at a point where the said Balliol-street intersects the northerly limit of Albertacrescent, at its easterly side, a distance of 2649 feet 10 inches, more or less.

And intends to assess the final cost (or a portion of the final cost) thereof upon the real property to be immediately benefited thereby, fronting or abutting upon the southerly side of said Balliol-street, within the said prescribed limits, and that a statement showing the lands liable to and proposed to be specially assessed for the said improvement, and the names of the owners thereof, so far as they can be ascertained from the last revised assessment roll, and otherwise, is now filed in the office of the clerk of the municipality, and is open for inspection during office hours.

The estimated cost of the said improve-

hours.
The estimated cost of the said improvement is \$1300, of which the cost for flandage and street intersections is to be partially of the general funds of the municipal to the said improvement.

Dated July 30th, 1908.
WILLIAM J. DOUGLAS,
Town Clerk.

SECRET CELLS IN VATICAN Interesting Discoveries Made of Apartments Hidden for Centuries.

thru the telegraph of the panic in the Vatican when it was thought the walls were falling. This led to a thoro investigation, and it was found that all the walls, internal and external, are more or less unsafe. The apostolic pal-ace dates from the time of Nicholas V., who became pope in 1447, and from that time on every pontiff has added or taken away—usually the former—with out a thought as to whether the walls were strong enough to bear additional
