## **A Special Sale** of White Dress Materials for Summer Wear

Starting to-morrow, May 14th, we will inaugurate one of the largest Sales we have ever had in our Print and Wash Goods Section and the present popularity of white materials. should make it all the more interesting. These very dainty and exceedingly practical dress materials will be shown in hundreds of different styles of plain and fancy weaves, in either sheer, medium or heavy weight quality. Among the materials for this Sale also will be found many of the most exclusive effects, manufactured especially for our own trade, all at price which for the quality will be found very reasonable.

In the plain weaves will be found Fine Sheer Mullis, Persians, Batistes, Lawins, Cambrics, Organdies and Costume Linens, in scores of different qualities and weaves.

-

The fancy patterns comprise the Silky Mercerized Effects in neat patterns of spots, stripes and ngures. Also the fine French cord and small figured piques that are so popular just now for Lingerie Suits.

Then we are making a special showing of our Swiss hand-embroidered boxed costumes of Linen, Mull or Batiste. We have made a special window showing to-day, where you can see the many different materials that comprise the Sale. Prices we are unable to quote on account of the large variety of different materials, but you can rest assured that these also will be satisfactory to you.
