The following are all listed stocks and good for an advance fron: the northwest stimulated sufficient buying at the opening to cause a rapid rise and higher prices. On the advance considerable opposition was encountered, which finally resulted in a recession of about one cent, which encouraged local traders to press the market for lower prices, but before the close there was a resumption of commission house buy-ing, which frightened shorts into cover-ing and eventuated in a full recovery, and stronger undertone at the close. The news from the northwest and Manitoba Was of a bullish character and we believe that higher prices will be seen. Corn and Oats-Were again irregular, fi but steady. Reports regarding the corn crop showed improvement and caused some selling. Advices regarding oats a fair rally. 65% 69 later on went to Mexico, where he became well-known as a landscape A. GOLDMAN.
