The Illustrations Above Plainly Show What This Grand Discovery Will Do.

A celebrated Indiana Physician has discovered the most wonderful cure for Syphilis or Blood Poison ever known. It quickly cures all such indications, as mucous patches in the mouth, sore throat, copper colored spots, chancres, ulcerations on the body, and in hundreds of cases where the hair and eyebrows had fallen out and the whole skin was a mass of boils, pimples and ulcers, this wonderful specific has completely changed the whole body into a clean, perfect condition of physical health.

William McGrath, 48 Guilford-street, Buffalo, N.Y., says: "I am a well man today, where a year ago I was a total wreck. Several doctors had failed to cure me of syphilis. I was rid of my sores and my skin became smooth and natural in two weeks, and after completing the treatment there was not a sore or pimple on my body, and to-day I am absolutely well."

Every railroad running into Ft. Wayne brings scores of sufferers seeking the truly marvelous work the doctor is accomplishing, they will send free to every sufferer a free trial package of the remedy, so that everyone can cure themselves in the privacy of their own home. This is the only known treatment that cures this most terrible of all diseases. Write to the State Medical Institute, 3878 E. 12th St., Ft. Wayne, Ind. Do not hesitate to write at once and the free trial package will be sent sealed in plain package.

LEFT HOME TO DIE.

Had Brother Send Him Away to Spare His Family.

Detroit, Mich., Sept. 26.—Dr. George E. Metcalf, a well known veterinary surgeon, was buried to-day, a victim of hydrophobia. While treating a dog four months ago the animal bit one thumb. The doctor paid no attention to the wound, but last Friday he became ill, and symptoms developed, which left no doubt of the nature of the disease. Dr. Metcalf sent for his brother, Dr. W. F. Metcalf, and said to him: "There is no hope for me. All I wish is that you will take me away that my family may be spared the horrible sight, and that you stand by me until death relieves me."

His brother sent him to Harper Hospital, and was at his bedside until he came on Sunday, soon after he had lost his consciousness and gone mad. The doctor was fifty years old, and leaves a widow, three sons and a daughter.

I. O. F. Through the entire jurisdiction of Independent Forestry the most encouraging signs are beginning to be seen as the fall approaches. All the courts are feeling the social and financial effects of good times, and a lively campaign is already under way. The Walleyes of this city had a most successful meeting on Monday evening—music, vocal and instrumental, and special issue of a new paper called The Bluebird formed the chief features of the program. The initiation of several candidates gave an opportunity to witnessing the beautiful ritual of the order.

Court Prosperity and Court Brook met Tuesday evening, Court Queen City Wednesday evening and Court Sherwood Forest Thursday evening. All of these meetings were well attended, and excellent and entertaining programs were carried out.

The Supreme Physician, Dr. Millman, continued to report the medical examinations received to be in excess of the same period last year. The Supreme Secretary, Lieut.-Col. McMillen, is at the Niagara Falls learning the very latest in drill and war tactics.

Election Trials To-Day. Judges Falconbridge and Street will try the election petition against Robert Bell of West Durham at Colborne and the petition against E. G. Porter of West Hastings at Belleville to-day.

REGAIN YOUR MANHOOD.

There is Happiness in Vigorous Health.

You can have freedom from pain and again be given life energy and the vigor of youth if you wear Dr. McLaughlin's Electric Belt with suspensory for weak men.

What use has the world for a man who has not the courage to face the battles of life? Such courage comes from systems greatly endowed with the vital force of electricity. You cannot afford to let weakness stifle your ambition and mar your future. If you are not the man you should be at your age; if you have wasted your strength; if you feel you are losing your youthful vigor do not hesitate to write to me at once.

I have always given proof of anything that I have claimed for my Electric Belt, because I know that there are people who claim a great deal more for their remedies than the truth would justify, and I want every one to know that when Dr. McLaughlin promises anything it's as good as done. When I tell you I can cure a man and make him feel as he did in the fullness of youthful manhood, I give you letters from men who say I did as much for them. That shows that I have done what I claim I can do. If you want a remedy which will cure you, it seems very for you to take the one that has cured others. I have published thousands of testimonials from cured patients and I will pay \$1,000 in gold for evidence showing that I have ever used a testimonial that was not true and honest.

Such Gratifying Reports as These Come From Everywhere:—JAMES LENNIE, 102 Lock Street N., Hamilton, Ont. "I have used your Belt one month. I have gained five pounds; I sleep better, and that a very nervousness is gone.—JAMES LENNIE, 102 Lock Street N., Hamilton, Ont. "I have worn your Belt. I was troubled with indigestion. I now feel like a new man without a pain or an ache and have gained eight pounds.—CHAS. T. PLEPLE, Macville, Ont. "I was not able to walk across the floor; now my rheumatism is entirely cured. Your Belt is a grand thing.—WILLIAM HASLET, Malahide, Que. "The rheumatism is all gone now, as the result of using your Belt, which I wore regularly for three months.—A. MACHAN, Reston, Man. "I have tried your Belt and it has proved satisfactory. I was troubled with a weak back.—E. BRYAN, Mountain, Ont. "After using your Belt for thirty days the pain in my back was entirely gone. It had bothered me for about ten years. I am now sleep well.—JOHN NICHOLSON, Plantagenet, Ont. "I am not advertising that I give my Belts away. I am willing to cure you before you pay me. All I ask is that you give me evidence of your honesty and good faith by offering me reasonable security. You may then use the Belt at my risk and

PAY WHEN CURED.

Beware of Imitations.—There are dozens of them, and the bait is always a supposed "FREE GIFT" or a Belt for a few dollars. Many who have been victimized by such offers lose faith in electricity, as the only result given them is a burned back (if they get any current at all). I have hundreds of these old burners who have been exchanged for minutes. I make an allowance on such Belts, and let me show you the difference and the pleasant sensation of a properly applied electric current.

FREE, FREE—I have a nicely illustrated book which every man should read. I will send it, closely sealed, free.

SPECIAL NOTICE.—I have the only electric appliance in which your case receives special attention of a practical physician who has made a life study of electricity. The success of any electric appliance depends upon intelligent application. Agents or drug stores not allowed to handle my Belt.

half of next week. "Way Down East," as its title clearly indicates, is a play of New England life, yet its story is such that it appeals to the sympathies of theatre-goers everywhere. The fact that it has been presented 532 times in New York, 248 times in Boston, 190 times in Chicago and 100 times in Philadelphia proves this.

"York State Folks," the big rural drama to be presented at the Grand Opera House next week, has been staged in a way to strengthen its effect of realism. The scenes of which there are five, all from the studio of Arthur Voegtlin, are said to be the most artistic.

As Myron Cooper in "York State Folks" the mountings ever given a pastoral play. Two car-loads of scenery are utilized in the presentation, and the last detail of setting is given minute attention. The company numbers fifty people, including nineteen principals and a choir of thirty boys.

"The Man Who Dared," the melodrama in which the popular young actor and author, Mr. Howard Hall, is starring, will be presented all next week at the Toronto Opera House, commencing with a matinee on Monday. Of the play, The Montreal Star said: "It is great, it is marvellously great. It is hard to imagine any production more interesting than 'The Man Who Dared.' It is a play that is likely to do a big business wherever it is presented."

Arthur and Jennie Dunn will be the headliners at Shea's Theatre next week in a sketch, entitled "The Messenger Boy." Mr. Dunn was last seen in Toronto in "The Runaway Girl." Miss Dunn, who in private life is Mrs. Ezra Kendall, has not been seen on the stage before. Before her marriage she had Miss Dunn supported her brother in his vaudeville work, and he has succeeded
