## ONTARIO AFFAIRS AGAIN AT HIGH TENSION

Between Great Britain and La Belle France

Says the Cable Correspondent of a New York Newspaper.

The French Army Now Equal to That of Germany.

100 Persons Drowned by the Breaking of Ice in a Chinese River—Lipton Spends \$400,000 for a Yacht in Which to Entertain His Friends.

London, Feb. 15.—A special correspondent cables to New York: Premier Salisbury has sent a protest to the French and Italian Governments against the agreement whereby Italy cedes part of the Rahalet coast of East Africa to France. Under the Anglo-Egyptian convention, Italy was forbidden to fortify that part of the African coast. France intends to raise earthworks and fortifications there to counter-check the British forts on the Island of Perim. Affairs between England and France are again at high tension.

**TALK OF WAR.**  
The Toulon correspondent of the London Daily Mail, remarking upon the extraordinary activity at the arsenal there, and generally in the French naval works, says: It is believed that M. Lockroy, minister of marine, expects war with Great Britain within two years, and it is notorious that a war with England is being preached in official circles in Paris. Troops are being poured into Tunis, Caucasus and Algiers, and war material is being dispatched to all the colonies. French officers openly boast that they will sweep the British fleet out of the Mediterranean.
