

SOUTH END SNAPSHOT

A VARIOUS SCENES

City League baseball teams began the season's practice this afternoon at 2 o'clock, and the bunch cavorted about Tecumseh Park like colts turned loose after being in the stable all winter. Only two Saturdays remain before the opening.

"Billy" Amos announces that he would like to make a match with the three winners of the McClary road race. He wants the event to be a three-mile relay race; the contest to take place at any time or place convenient to the McClary boys. Phone 2143 or 134.

The Ontario Jockey Club has issued its official programme for 1937. The book is nicely gotten up, and contains a number of excellent half-tones of racing events. The spring meeting opens May 18, and entries for the following events must be in the secretary's office at the race course on or before 12 o'clock (noon), May 17:

Trial Purse, Juvenile Purse, Royal Canadian Steeplechase, Carleton Purse, Queen's Hotel Handicap (\$600 added), one mile.

That "every dog has his day" nobody with a grain of horse sense will dispute. Everybody remembers the childish antics of the C. A. A. U., which prevented Longboat competing in New York a short time ago. Now, the redskin wants to run at Boston, and the C. A. A. U. is willing that he should. But the shoe is now on the other foot. The A. A. U. says: "Show us—we're from Missouri. Give us a clean bill of amateur standing (according to their own ideals—maybe), and you can run—if we see fit to let you!" The Yankees may tie a can on Longboat in order to strengthen the chances of some American runner to win the race.

"Young Cy" Young, of the Boston Nationals, held the Brooklyn team to three hits yesterday, and won his game. The youngster bids fair to become as famous as "Old Cy" of the Boston Americans.

The Detroit Free Press says: One of the beauties of that midwinter system of baseball opening was illustrated yesterday, when, with the second day of the season at hand, the populace everywhere enthused and the players, once started, anxious to keep going, it was necessary to call off seven of the eight scheduled contests. Here it was a combination of cold and rain. As six of the seven other idle towns reported rain, it is fair to assume that the conditions elsewhere are much the same as here. That being the case, it is not probable that there will be much baseball in the major leagues this afternoon.

Lucky Boy, belonging to J. Martin, of Cobalt, and Valendia Girl, owned by J. Tripp, of the same town, raced over the ice at New Liskeard, a few days since, for a purse of \$1,000 a side. The contest developed a bruising finish with Lucky Boy a winner by a neck. A pile of money changed hands on the result. The race was a dash of half a mile.—Canadian Sportsman.

OXFORD IS GOOD FOR THE HANDICAP

With Top Weight, He Show Well in Final Preparations at Benning.

Washington, April 12.—Oxford had his final preparation in the sixth race at Benning today for the Carter handicap, the first big stake event of the season, to be run next Monday. The race was a handicap at a mile, and Oxford shouldered to top weight, 126 pounds. Miller had the mount and handled him well. He rushed to the front when the barrier flew up and he was not in trouble afterward. He won by three lengths. The time, 1:43.5, was not impressive, but the track was slow and Oxford was not extended.

Two favorites, one choice and three outsiders won the six events. Summary:

EAST END LEAGUE PLAYERS SIGN UP

Three of the Teams Have an Abundance of Material Under Contract.

The teams in the East End League are signing up their players for the season. They are reaching out in every direction for good material, and already some good ones have been landed. The league rules do not place any limit on the time for signing, but they state that by June 15 no team shall have more than fifteen players under contract.

There are five teams in the league—

MR. JAMES FITZGERALD, President of the East End Baseball League.

The head of the East End Baseball League is the right man for the position. Mr. Fitzgerald was president of the organization the greater part of last year, and helped to guide the league through a very successful season. Nineteen hundred and seven is expected to be the best ever for the great game in East London.

The Somervilles, Wortman & Wards, Ramblers, Oriens and North End Stars, the two latter being newcomers this season, are not in the game, but the majority of the striped ones will be seen with the Oriens. Those signed up are:

North End Stars.
A. Gillies, H. Waud, B. Waud, J. Murray, R. Hughes, T. Veach, W. Callahan, H. Legg, J. Harris, M. Glen, A. Turner, J. Pook, T. Buller.

THE RING.
FOUGHT TO A DRAW.
New Haven, Conn., April 12.—Arthur Cote, of Maine, and "Jimmy" Briggs, of Boston, fought fourteen rounds to a draw last night before the Greenland Athletic Club. Briggs was the aggressor in the opening rounds but later Cote evaded matters.

CARPETBALL.
S. O. E. ARE CHAMPS.
Guelph, April 12.—The S. O. E. triumphed over the W. O. W., in the final for the championship of the carpetball league of this city. On Saturday night the third round of the series was completed with the S. O. E. and W. O. W. tie, St. John's being in second place. Last night's game created considerable interest, the hall being crowded and good playing being the feature. The score of 15 to 14 in favor of the S. O. E. fairly indicates the relative strength of the teams, and only by consistent work did Capt. John Carter pilot his successful team mates to victory.

BASEBALL.
NATIONAL LEAGUE.
At Boston—R. H. E.
Boston . . . 10 0 0 0 0 0 0—1 6 1
Brooklyn . . . 0 0 0 0 0 0 0—0 8 2

PEITZ OUT OF PROFESSIONAL BALL.
Cincinnati, O., April 12.—Catcher Heinie Peitz has again decided to quit professional baseball for good, and this time it looks as though the decision is final. He will not report to the Louisville Club, but will manage and catch for the Trinity Club, of Bellevue, Ky., a team that makes its home at the Greater Newport Park.

WILL NUMBER PLAYERS.
Cincinnati, O., April 12.—Paul Graham, of the Trinity team, is the first baseball manager around Cincinnati to carry out Charley Murphy's suggestion that players wear numerals upon their

arms to identify them. Each member of the Trinity team will wear a number upon his arm to correspond to a number before a player's name on the score card. While at their own grounds the Trinity will decorate the sleeves of visiting players also.

SOME RELEASES.
New York, April 12.—President Pauline, of the National League of Baseball Clubs, last night announced the following releases:
By Brooklyn (unconditional)—R. L. Bush, to Brockton, Mass., P. Reardon.
By Boston to Trenton, Albert Strebel and Leroy Witherspoon.
By Pittsburgh to Philadelphia, Otto Knuba.

NEW CLUB INCORPORATED.
Albany, N. Y., April 12.—The Atlantic League baseball club of Brooklyn was incorporated today with a capital of \$100,000. The directors are: Philip Brady, of Flushing; Theodore Schafer, of Brooklyn; A. W. Bussey, sen., A. W. Bussey, jun., and Harry Miller, of Jamaica.

BRANTFORD NOT IN LEAGUE.
Brantford, April 12.—In the matter of baseball Brantford is in a somewhat peculiar position this year, and it is unlikely that any local team will be entered in the proposed Western Ontario League. There are to be four teams here, representatives of as many factories, and the Dufferin Rifles Regiment, and a long list of games is being arranged for city league competition. This will occupy a pretty full season. It will be possible to arrange some outside matches of an exhibition character, but apart from this no outside league work will be attempted.

THE TURF.
GREAT DAY FOR FAVORITES.
New Orleans, April 12.—Five favorites won at City Park today. The fields were good-sized in every event. The winners: Yohome 5 to 1, Rose Day 7 to 5, Kara 4 to 5, Rother Royal 2 to 1, Bucket Brigade 11 to 10, Savore Fair even, Prince Brutus 8 to 1.

LACROSSE.
CORNELL DEFEATS INDIANS.
Ithaca, N. Y., April 12.—Cornell won at lacrosse from the Onondaga Indians today, 9 to 0.

SUDDEN TRANSITION FROM A HOT TO A cold temperature, exposure to rain, sitting in a draught, unseasonable substitution of light for heavy clothing, are fruitful causes of colds and the resultant cough so perilous to persons of weak lungs. Among the many remedies for bronchial disorders arising, there is none better than Bickel's Anti-Consumptive Syrup. Try it and be convinced. Price, 25 cents.

London has over 1,000 postoffices and the mail delivery amounts to 727,000,000 pieces a year.

Some forms of animal life are so tiny that 2,000,000,000 could be put in a space of one-thousandth part of a cubic inch.

THEY ARE A POWERFUL NERVE.
Dyspepsia causes derangement of the nervous system, and nervous debility once engendered is difficult to deal with. There are many testimonials as to the efficacy of Parmentier's Vegetable Pills in treating this disorder, showing that the pills really do produce good results. By giving proper tone to the digestive organs, they restore equilibrium to the nerve centers.

McGinnity, in the estimation of many critics, has seen his best days as pitcher for McGraw's team, while Bill Dahlen, Frank Bowerman, Dan McGann, Dummy Taylor and George Brown, all of the same team, cannot last much longer in fast company. In Pittsburgh, Fred Clarke is

practically through playing, and will take the bench this year. Beaumont is about to retire from the game, with Phillips and Leaver, the star pitchers on the ragged edge. Slagle, of the Chicago Cubs, is an old player who much be replaced in the near future, but the other members of the team are all comparatively young. So are the Cincinnati players, except Gansel, Welmer, Coakley and Ewing. Ritchey and Tenney, of the Boston Nationals, are veterans who cannot hang on forever, while McCarthy, of the Brooklyn, is good for a couple more seasons perhaps.

The time is not far off when Kil Gleason, the second baseman of the Philadelphia Nationals, will be passed up for a younger man, as Gleason has been playing in the big league since 1889. Jake Beckley, of the St. Louis Cardinals, will probably play out this season and then retire. He has been playing with major league teams since 1886, and it was not until last year that he began to show the effects of the long grooming.

The average playing career of a major league star is about ten years. \$10 00, Washington and Return. From Suspension Bridge via Lehigh Valley Railroad, Wednesday, April 24. Tickets good 10 days. Visit the Jamestown Exposition from Washington. Tickets and particulars Lehigh Valley Railway office, 54 King street east, Toronto, Ont. 10-h-x-w-t-y-w-l-z-y
