### CZAR'S NAVAL PROGRAMME

structed Within Two Years.

St. Petersburg, Feb. 20.-Representowns two magnificent estates which atives of the Russian admiralty submitted today to the commission of national defense of the Duma the finan-

naval programme. The matter was discussed with open doors, instead of in private, as had been expected.

The programme is to be completed in 1907, and it includes not only the construction of a fleet of battleships, of the ports of Russia. The expenditures involved amount to \$1,078,000,000 and increases yearly from the \$43,500,-000 already included for the laying down of four new battleships to a maximum of \$125,000,000 in 1914. The expenditure then decreases to \$85,000,figure. One of the features of the pro- the others in three years, after they are "Vanity Fair," for libel. gramme is a duplicate complement of laid down. guns for every ship to be constructed. An alternative minor programme
