The this \$65,000,000 of bonus from stock Globe appears to have neglected its pocketed by the C.P.R. shareholders? own news columns as indeed it fre-

Business is not improving in the quently does, and retained only the United States. Why? Because the co- impressions left by the special pleadlosgal stock-jobbings, inflations, mani- ings of its editorials, which, under the pressure of election campaign exipulations, grafts, corruption of legislatures and municipal institutions that go gencies, are not always rigidly accurwith these things, have made the for- ate. The advantage of the method for eign investor decide to leave American

securities largely alone. The American l. vestor also is afraid of them. This is why Governor Hughes, in his celebrated law, has made it the duty of the public service commission of New York to pass every issue of securities by the railways of that state, in order that the highest possible proceeds ers. of all securities issued go into the treasury of the road, that low-interest bearing bonds, instead of stock, are

used whenever it is more advantage to the regulation of freight rates, and that

good cause must be shown for any and every increase of the debt of the com- pany has grown in the past 30 years pany. In other words, you cannot now, under any pretext, cut a melon in New president's address: York State, or put, out shares where Year. bonds will suffice. They've gone thru 1878 the furnace.

Canada is drifting into the same state of affairs. We see no difference in the methods of the Canadian Paci- dent was that the Canada Life had in fic Railway in the Windsor-street exe- 1808 enjoyed a large measure of proscutive offices of the company in Mont- stability, strength and permanent proreal and the loot that is going on in the gress.' city hall a mile or so away.

Most of the newspapers, nearly all the public men of the country, so far, and the mortality rate was very low. are silent on this great question. Can all these elements contributing to a the corporations chloroform everyone? large increase in the surplus on policy

HOT AIR BALLOONS.

t'It is probable," says an Ottawa delow prices of permanent securities to spatch, "that the Canadian militia will. have air balloons, as in the United have a beneficial effect on the interest States, soon." It is too bad that when rate earned for many years to come At the same time a portion of the funds Canada goes into the hot-air business are profitably invested in mortgages she has to get pointers from the United on improved western farms. states. There has been an impression for safety and solidity, has increased its strength in 1908, and at the same prevailing that Canada was already expert in the production of the heated time has made good gains in all desirelement, but it is just possible that the able directions. United States may excel in this art. as keenly and aggressively managed as ever.

An air balloon is essentially a windbag, and the knowledge that still more windbags are to be added to the militia delatment will bring no joy to the service, especially if they are to be modeled after the United States pattern. Genuine Canadian hot-air, native windbags, the guaranteed home product, we must learn to look upon w th equanimity. The introduction of forc_a types and the extension of the atia welt would be a severe strain on national endurance

THE C. N. R. GUARANTEE. The lapses of the virtuous man are more glaringly apparent than the crimes of the habitual sinner. "The guarantee by the Ontario Government of the bonds of the Mackenzie and terest to her credit in court, she having attained the age of 21 years. On certificate of accountant that there is this sur n court to credit of applicant being filed, order to go.

> Single Court. Before Meredith, C.J.

Industry, Intelligence, Integrity. Vancouver, B.C., Feb. 16, 1909. TORONTO LEADS IN PHONES."

Put

and for judgment for plaintiff pursuant to report. E. C. Wright (Halleybury), for defendant. Judgment for plaintiff for \$109 and costs, on the district court scale, without set off. Counter claim dismissed The official figures of the Bell Telehone Company, just out, show that Foronto has a little over 24.100 phones Education of Smith's Falls use, while Montreal is 100 behind. The average number of calls per inty of Lanark-C. A. Moss, for the is very much larger in Toronto than in Montreal. moved on a stated case submitted

by His Honor, Judge Senkler, for judg-ment. J. H. Spence, for the county, con-tra. This was a case stated by the county judge of Lanark under the provisions of Gets a Verdict for \$1180. ce Teetzel yesterday afternoo Justice Justice Teetzel yesterday afternoon awarded Hugh Moore \$1180 damages the Arbitration Act, on the question wh ther where no demand has been made t and costs against the Ontario Veterthe trustees upon the county council for fees a demand can be made for such fees ans' Land Co., from whom he purchas-ed a farm at MacDougall's Chutes in a subsequent year, and whether such a subsequent year, and whenter ed to mand, when resisted, can be referred to e county judge under the act. Here no November, 1908. This amount was about two-thirds the value of the plain_ the county judge under the act. Here no demand was made in the years 1994, 1905, 1906 and 1907, in respect of cost of main-tenance of the school and the demand for tiff's claim. Since purchasing the land the plaintiff claimed to have put on

about \$2000 in improvements. 1908 includes said years. Held that question must be answered in the affir-mative and that the county is liable, but leaving open the question whether there is any machinery by which the fruits can be reached by the board and the arbitra-

tion enforced. Held also that this is not a case for costs. Trial Court. Before-Clute, J. Cowie v. Cowie-J. W. McCullough,

treated the plaintiff for three

years, and had been guilty of gi cruelty towards her and threatened danger and her health was so impaired that prior to the month of September, 1906, she was compelled to leave the de-fendant's house and live separate and apart from him. Claim is made for cer-tain household furniture and goods bought by the plaintiff from her own savings. The claim further sets out that tain household furniture and goods bought by the plaintiff from her own savings. The claim further sets out that their two children, the daughter of 21 years and the son II years of age, refuse the claim further becaute on account of years and the ron 11 years of age, refuse to live with the defendant, on account of his cruelty towards the plaintiff. Plain-tiff sued for alimony and for specific en-forcement of the agreement between them and her household furniture. Defendant denies all charges of cruelty. The plaintiff is not entitled, in my judg-ment, to enforce specific performance of the agreement. Plaintiff's claim to cer-tain articles which were purchased from money received from the sale of the pro-duce of the farm, was abandoned by her counsel at the trial. She is, of course, en-titled to the articles which she had re-celved as marriage presents, and other
