BOARD OF HEALTH WANT DOGS KEPT OFF STREETS

Will Ask City To Enforce Bylaw—Shakeup Among Departments—Controllers Criticized.

HAMILTON, Feb. 21.—(Special.)—The board of health will recommend council to make operative on March 1 the city bylaw which now provides that from April 1 until Oct. 1 no dogs, muzzled or not, shall be allowed to run at large. Dogcatchers will be employed at once. The members tonight expressed disquiet at the action of the board of control in cutting out their telephones.

At the meeting of the fire and jail committee, Ald. Birch accused Mayor McLaren and Controller Allan Gardner of being obstructionists, and Controller Gardner with falling in with everything that they did. Gardner demanded a retrial. The board of control came in for a lot of criticism. Ald. Ryan said they had bought a carload of oats at 44 cents a bushel when they could have been bought on the market at 42 cents. The controllers have declined to allow the fire department four extra men, the committee sent up a favorable recommendation to council. Chief Ten-Eyk said he would restore the day off to firemen starting to-morrow, and would make it up to the men who had lost their holidays. The petition of the firemen to be allowed to ride free on the street cars was sent to the board of control.

A Civic Shake-up.

The board of control this afternoon inaugurated what looks like a general shake-up in the various departments. Tax Collector Kerr was instructed to bring in a report of how the efficiency of his staff could be brought up to a higher standard. The city engineer was also examined along the same lines. There was some discussion as to increases in rates, but definite action will not be taken until Wednesday or Thursday, after all the heads of departments have been examined.

The Mackay interests in the Inland Navigation Co., amounting to about \$300,000, have been sold to the Midland Navigation Co., but the deal for the rest of the stock is hanging fire. A special committee from the board of education this afternoon investigated the charge that Annie Hulme had been poisoned or burned by something she had eaten in the domestic science class in the King Edward school. The committee found that neither the teacher nor the school system was to blame in any way.

Quebec Cabinet Change

Early Retirement of Hon. Chas. Devlin is Foreshadowed.

MONTREAL, Feb. 21.—(Special.)—The unfavorable news regarding the health of the Hon. Charles Devlin, C. P., would appear to foreshadow the entry of the newly-elected member for Gaspé to the local cabinet at an early date. It is stated here that Mr. Perron will become minister of mines and colonization and that Mr. Devlin will either replace Hon. Hector Fabre in Paris or accept the position of Quebec agent in London, created last season.

Willison was the guest of the evening, and delivered an address on "British and American Ideals." The vote of thanks to the speaker was moved by Hamilton Cassels, K.C., and seconded by E. A. MacLaurin. A presentation of silverware was made to the Rev. J. M. Macdonald, a former assistant minister, now of Watford, Ont. Dr. Norman Anderson and the male members of his choir provided the music for the evening.

SERIOUS KITCHEN ACCIDENT

What Zam-Buk Saved a Lady.

Mrs. Fredk. Bryant of 169 Railway-avenue, Stratford, spent dollars trying to get well, but failed until she tried Zam-Buk. It was this way: "I was in my kitchen preparing supper," she says, "when I upset some boiling water. It fell upon my foot, scalding it badly. Next day the skin came off the foot, and it was so painful I could not walk. I treated it, but instead of getting better it got worse, and finally I had to take to my bed. I was laid up for nine weeks, and in that time I tried all manner of so-called remedies. I had embrocations, dozens of salves, I think, and lotions, but the scald deepened into a running sore. I was advised to try Zam-Buk, and I did so. A few applications had the effect of soothing the pain and giving me what I had not had for weeks—a little ease. I persevered with Zam-Buk, and day by day the running sore seemed to get less inflamed and less painful, as the Zam-Buk drew away the poison and reduced the inflammation. In a very short time healing commenced, and rapidly continued until the sore was completely healed. I would hardly have believed that any preparation could have done for me what Zam-Buk did, and I shall never be without a supply in the house." When you have a scald, a burn, a skin sore, an ulcer, a broken or inflamed artery, try Zam-Buk. Made from the purest of herbal essences, it may be regarded as nature's own healer. Eczema, colds, cracked and chapped hands, children's rashes, chilblains, all yield to its soothing, healing influence. It also eases the agony of piles. All druggists and stores, 50 cents box, or post free from Zam-Buk Co., Toronto, for price.

Mr. Perron will be a fine acquisition to the debating power of the Quebec cabinet, also he is not a great orator. He is a very able lawyer, and at the same time an attorney-general, under the Hon. Mr. Taschereau, when Sir Lomer Gouin decides to leave the political arena and don the ermine of the supreme court bench.

MONEY FROM FOWLER RECEIVED BY FOSTER

Plaintiff in Libel Suit Expected to Give Evidence To-day Regarding His Private Dealings With Intermediary in Kamloops Deal—Peter Ryan on Stand.

The sitting resumes at 10 o'clock this morning.

Peter Ryan on the Stand.

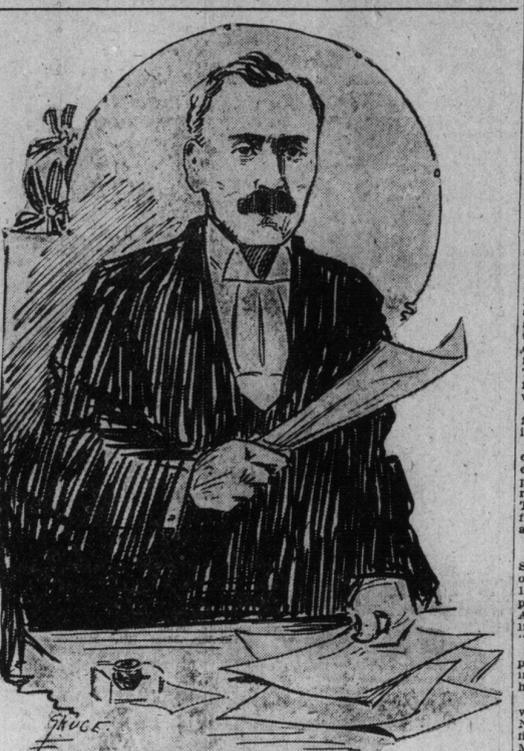

Peter Ryan of Toronto, from whom the Kamloops lumber proposition was purchased by the Union Trust Co. in 1904, was the first witness called on Monday morning.

Cheques were produced signed by the Union Trust Co. aggregating \$235,000, which witness said was paid for the property.

"What was the real price paid for the property?" asked Counsel Rowell. "One hundred and seventy thousand dollars," replied witness.

"Who received that amount?" "George W. Fowler and myself," "What became of the other \$55,000?" "Fowler, I think, got about \$50,000, but I can't say exactly where the other \$5,000 went to," replied witness.

Witness identified a cheque signed by the Union Trust Co. in favor of himself, and endorsed over to Mr. Fowler. It was drawn on the Bank of Montreal, under date of Feb. 9, 1904, for \$12,000. It had been deposited by Fowler to his account in the Bank of Nova Scotia. Other cheques were

N.W. ROWELL, K.C.

Boyd will take the stand to-day and testify regarding the light in which Mr. Foster's private dealings with George W. Fowler were viewed by the Union Trust directors.

Wordy Battles.

Considerable time was taken yesterday with wordy battles between counsel regarding the propriety of putting in the findings of the royal commission, which investigated the Union Trust affairs in 1906. Mr. Johnston, K.C., finally won out and the findings were put in.

Unless the plaintiff decides to offer evidence in rebuttal, it is probable that the case will go to the jury to-day.

St. Andrew's Church Supper.

The men of St. Andrew's Church, King-street, held their annual social supper last evening at the St. Charles with Dr. L. E. Embree, president of the Men's Association, in the chair. J. S. Personal undertaking. Later a mortgage was taken on the property. It was felt the evidence continued, that the Montague advances should be cleared of the books as soon as possible and to effect this, portions of the land were sold from time to time to the Union Trust Co.

Afternoon Session.

Counsel J. E. Johnston after luncheon again took up the reading of extracts from the examination for discovery.

In answer to questions, Mr. Foster had stated that he had not put any money into the properties purchased by the syndicate. All the money he believed had been obtained thru the Trust.

The sum he obtained from the Swan River deal was received in the form of a commission or a rebate. As trustees for the syndicate, Mr. Johnston and Mr. Helmhuth, who had purchased the properties from Great West Land Co. account; no money passed thru the officers' hands.

"You remember receiving a cheque from Mr. Fowler for \$2500?" "You remember giving evidence as to it in the insurance commission?" "Yes, I received certain sums from Mr. Johnston proceeded to get in as evidence the examination of Mr. Foster on the subject of the report of the royal commission which investigated the affairs of the Union Trust Company, and Mr. Helmhuth objected on the ground that the defendant had specifically stated that he relied wholly on sworn evidence before the commission. The findings of the commission, which necessarily contained the opinions of others, could not be sworn evidence.

Mr. Helmhuth quoted authorities and argued for half an hour, but the court ruled against him, and the findings of the royal commission were admitted as evidence.

Mr. Helmhuth contended that if the report was put in, the plaintiff would be entitled to have his review of the findings delivered in the house of commons put in also.

Counsel E. F. B. Johnston stated that he did not intend that the whole report should be put in as evidence, but as forming the basis of Mr. Macdonald's evidence when the defendant takes the box. Whether the evidence contained in the report was true or false, was a matter of no moment. The question was, whether the defendant's comments on the findings were fair or not.

"I think the report is part of the defendant's case, so I will allow it to go in," said his lordship.

Mr. Johnston proceeded to get in as evidence the examination of Mr. Foster on the subject of the report of the royal commission which investigated the affairs of the Union Trust Company, and Mr. Helmhuth objected on the ground that the defendant had specifically stated that he relied wholly on sworn evidence before the commission. The findings of the commission, which necessarily contained the opinions of others, could not be sworn evidence.

Edge-Keeper Testifies.

Geo. Buchanan of the Bank of Nova Scotia, who was ledger-keeper in Toronto in 1904, testified that on Feb. 9, 1904, a cheque for \$12,000 had been deposited to the credit of Geo. Fowler. Against the same account on Feb. 12, 1904, was charged \$2500 in favor of "Foster."

Mr. Rowell called on the plaintiff to produce his bank book for the period in question, but Mr. Foster said he hadn't it.

Jeffrey Eaton, reporter for The Globe, who reported Mr. Foster's speech at North Toronto, on Oct. 1, 1908, testified that Mr. Foster's remarks about Mr. Macdonald were reported correctly in The Globe of the following morning. Some of Mr. Foster's words were: That Mr. Macdonald had lied and that he would like to meet him (Macdonald) on the platform, that he might prove him a liar.

Mr. Blue of The Globe staff, testified to the accuracy of his report of Mr. Foster's speech in the afternoon of Feb. 22, at 2 o'clock, for the purpose of attending the funeral of our late brother, Thomas G. Scott.

W. McKnight, another Globe reporter, gave similar evidence. Court then adjourned.

Will of Alice Summerhayes.

By the will of Alice Summerhayes, formerly of Gore's Landing, which was filed for probate yesterday, the testatrix left an estate of nearly \$2800 to her husband, Rev. T. F. Summerhayes, and her brother, Albert Ernest Jupp, in trust for her 4-year-old son, Douglas Thomas Summerhayes. The estate consists of: Cash in bank, etc., \$380.75; 10 shares in Sao Paulo Tramway, Light & Power Co., \$1458.75, and 10 shares in Rio de Janeiro Tramway, Light & Power Co., \$337.50, total, \$2777.

Boils and Pimples.

Whenever your complexion is unnatural, your skin in an unhealthy condition, your face covered with blotches and pimples, when boils and festering sores abound then your blood is bad. You can best cleanse it with that purely vegetable compound, Burdock Blood Bitters, which safely and promptly renovates the blood and invigorates the entire system.

Mr. C. A. Musson, Bawlf, Alta., writes: "I recommend Burdock Blood Bitters as being the best blood purifier there is. About three years ago I was greatly troubled with boils and our druggist advised me to try Burdock Blood Bitters and after taking two bottles I have not had a boil or even a pimple."

Mr. J. Morehouse, Zeeland Station, N.B., writes: "My face and neck were covered with pimples, and I tried all kinds of remedies, but they did me no good. I went to many doctors, but they could not cure me. I then tried Burdock Blood Bitters and I must say it is a wonderful remedy for the cure of pimples."
