## ONLY TWELVE RESCUED

Hope Abandoned for Others  
Who Sank Shortly After  
Explosion.

LONDON, June 10.—The British  
cruiser Hampshire, on which Field  
Marshal Earl Kitchener and members  
of his staff were killed, was sunk as the  
result of striking a mine. It was offi-  
cially announced this afternoon.  
All hope has been abandoned for all  
the 12 men from the Hampshire who  
were washed ashore on a raft, the  
statement says.

The statement follows:  
"Admiral Jellicoe stated that the  
Hampshire was mined. The vessel  
was accompanied by two destroyers  
which the Hampshire was compelled to  
detach them on account of the heavy  
detonations, an hour before the explosion.  
Survivors say the Hampshire sank in  
thirty minutes. Destroyers and patrol  
vessels hurried to the scene. Patrol  
parties were sent in motor carriages  
along the coast. Four boats were  
sent to leave the ship. Admiral Jellicoe  
concludes that all were wrecked on  
the lee shore. Twelve survivors  
were rescued from the raft. All hope has been  
abandoned for the others."

TROOPS AT NIAGARA

Lieut.-Governor Present at

Camp Opened.

ARE GOING OVERSEAS

Eighty-Fourth Given Orders  
to Prepare—Connect Bor-  
den By Wireless.

NIAGARA CAMP, June 10.—"The  
men did splendidly," said Gen. Logie as  
last year after we had been in camp  
a month or two, said Gen. Logie this  
afternoon after the review of the four  
brigades of troops. The review which  
was the first since the camp opened  
was held on the parade ground, Lt.-  
Governor Hardington, and Lady Hous-  
ton were interested spectators. The troops  
marched past with splendid precision  
and the playing of the massed bands  
was a pleasing feature. All the bands  
were divided up among the four  
brigades forming four separate masses.  
Several times during the review a sus-  
pense of the sky clouded over and every-  
body looked for a down-pour, but no  
rain fell and the review went off with  
out a hitch.

Going Overseas.

Word was received in camp that  
the governor-general will visit Niagara  
Monday, June 19th, for an inspection  
of the troops in the camp and also  
those of the frontier force.

afternoon for the sports. Special cars  
brought in many from St. Catharines,  
and boats from Toronto, and a chief  
signalling officer, made a sug-  
gestion to General Logie today that the  
two camps, Niagara and Borden, be  
connected by wireless and General  
Logie has forwarded a recommendation  
to Ottawa.

This will be a very valuable con-  
venience when headquarters leaves
