

YORK COUNTY AND SUBURBS

HEARTY RECEPTION
TO TWO SOLDIERS

Privates A. E. Stiver and W. Howe Return From Front.

ROUSING WELCOME

People of Unionville Turn Out to Do Them Honor.

In point of enthusiasm and good-will the reception tendered Private A. E. Stiver and Private W. Howe, returned soldiers in Victoria Hall in Unionville on Saturday night, left nothing to be desired. Although the meeting was organized on short notice, less than 24 hours, Victoria Hall was crowded to the doors and the young heroes were given a rousing welcome.

A short public meeting was held, presided over by Rev. Mr. Willison, and addresses were given by Rev. Frank Rae and Rev. J. J. Ferguson, all of Unionville, all of whom are represented at the front by some members of the family. Joseph Gray of Unionville, recently returned from England, who underwent a thrilling experience on a torpedoed freighter, narrowly escaping with his life, gave a resume of his adventures. Patriotic choruses by a number of village choruses by a number of village choruses, and later in the evening supper was served by the ladies of the village and neighborhood.

Private A. E. Stiver is a son of Mrs. George Stiver of Unionville, and was among the first to volunteer from Markham going overseas with the first reinforcements. He was twice wounded, and was later sent back suffering from rheumatism. He is a grandson of William Stiver of the fifth concession of Markham Township, a pioneer and highly esteemed resident. Private Stiver, together with Private Howe, who also went from Unionville, the latter winning the Military Medal for gallantry, were awarded a great reception. Private Elmer Nattress, a young returned hero, whose father lives on the fifth concession, was also present at Saturday night's big event.

MARKHAM TOWNSHIP
LOSES AGED RESIDENT

Samuel B. Hoover Was Son of One of First Residents of District.

By the death of Samuel B. Hoover, who died on Thursday morning, in his seventy-eighth year, Markham Township loses one of its pioneer residents and this community one of its most respected citizens. He had been in failing health for some time, and the end was not unexpected. He had lived on the farm on which he was born all his life, being a son of the late Christian Hoover, who in his early days was a member of the Pioneer settlement on the farm in this part of the township. He was a man of sterling qualities, a large circle of relatives and friends. In 1871 he married Susanah Wideman, daughter of the late Henry Wideman of Markham, and besides the widow a family of seven children survive: Louis W. and Anthony on the old homestead; Mrs. W. J. Leiman of Almiria; Mrs. P. J. Lett of Montreal; Mrs. Harry Spang and Mrs. D. L. Stouffer of Ringwood, and Miss Bertha at home.

The late Mr. Hoover was an adherent of the Mennonite Church. The funeral was held on Saturday afternoon at the Wideman Cemetery, eighteenth concession of Markham, and was attended by many relatives and friends.

WAYSIDE MARKET.

Unionville May Arrange Commodious Market Place.

The "wayside market" at Unionville, held on Saturday afternoon and the day before, was very successful, good prices being obtained for all the produce offered. Butter sold for 50 cents a pound, and eggs the same. The promoters of the scheme have in mind the erection of a commodious market place in the business section of the town, where trade may be carried on under all conditions of weather. It is proposed to combine the market with a modern town hall and possibly a skating rink and altogether the plan looks very feasible and likely to prove a paying venture.

And Mrs. R. A. Stiver, who recently sold their residence on Main street, are leaving the village today, and will probably remain in the city during the winter. Mr. and Mrs. Stiver have been actively engaged in every forward movement during their residence in the village.

AID SOLDIERS' FAMILIES.

Earlsfort Resident Cuts Coal for Them After Hard Day's Work.

An act of kindness quietly performed and for which no publicity was sought was brought to the attention of the Earlsfort citizens' committee recently by a resident of the section. An Earlsfort man, the owner of a wagon and team of horses, after his hard day's work teaming sand, has been carting coal free of cost to the homes of five families, whose men folk are overseas.

In the hope of others being induced to emulate this man's charitable and patriotic act, President Geo. R. Ellis of the citizens' committee makes known this incident.

ENTERTAINED SOLDIERS.

A number of returned soldiers from the Connaught Hospital were entertained to a social and supper at the residence of Mr. and Mrs. Rogers, 140 Bond avenue, Earlsfort, on Saturday evening, to celebrate the home-coming of their seven sons, returned wounded from overseas.

PASTOR TAKEN ILL.

Rev. Sidney Martin Had to Terminate Service.

Rev. Sidney Martin, pastor of Silverthorn Baptist Church, who was seized with illness and compelled to terminate the service, was taken to his home, where the evening service was conducted by Wm. Briggs.

FUEL CONTROLLERS ARE
SEVERELY CRITICIZED

Earlsfort Residents Discuss Shortage of Coal With Mayor.

At the request of Mayor T. L. Church, a deputation of the Earlsfort citizens' committee, consisting of President Geo. R. Ellis, Vice-President John Walsh and Treasurer T. S. Smith, called at the city hall last Saturday to discuss the coal situation.

The mayor read communications from Fuel Commissioners Magrath, to reply to urgent appeals sent to him to come to Toronto and fix the price of coal for the citizens, as in particular of the helpless dependents of the soldiers overseas, the majority of whom are residing in small frame houses in the Earlsfort and Fairbank districts, and who are even now suffering inconvenience from the cold and damp weather.

The information received from Mr. Magrath was not satisfactory to the committee. Mr. Magrath refused to attend any meeting or meetings of the public in Toronto to discuss the situation.

Mayor Church also informed the deputation that the customs returns show a per cent. more coal imported into the port of Toronto this season as compared with the season of 1916.

Many of Toronto's rich people have stored away that large surplus, and the mayor's solution for the shortage of coal for the soldiers' dependents, and in working classes generally, is to have numerous applications from citizens for coal, and we are helpless to meet the situation," said the mayor. "It is up to the government to get busy immediately, and a deputation of the citizens' committee should go to Ottawa and see the fuel commissioner, and I will make an appointment for the committee to meet them."

"I have an offer from Noel Marshall of 10 tons of pea coal at \$2 a ton in the yards, which could be shipped to Earlsfort, and then delivered by cart to the homes of the soldiers," said the mayor. "Noel Marshall can keep his pea coal," said a member of the deputation.

This offer proves to us the material for which the price of coal should be forced, and we are determined that the fuel commissioner will do his duty to the citizens of Toronto," he added.

President George R. Ellis said: "The appointment of Toronto's Fuel Commissioner, C. C. Harris and Mr. Harrington, the secretary of the coal section of the Retail Merchants' Association of Canada, is nothing but a farce."

The mayor at the close of the interview said: "I am making arrangements for a mass meeting of the citizens, and the citizens' committee will then be placed before the people of Toronto."

OFFICERS CHOSEN.

North Riverdale Horticultural Society Plan Series of Meetings.

At the annual meeting of the North Riverdale Horticultural Society held Saturday evening at the Franklin School, Logan avenue, the following officers were elected: President, Ald. W. D. McEwen; Vice-President, Ald. W. D. McEwen; Secretary, C. Morgan; Treasurer, J. J. Smith. The managing committee comprises Messrs. Howard Smolinski, Ode, Katanach, Miller, Mills, Bond and Weaver.

Twenty-two new members were brought in at this meeting. A series of lectures upon the preparation of grounds, backyards and vacant lots for the coming summer is scheduled for the meetings this winter, and at the next meeting there will be a lantern-slide lecture upon the culture of vegetables and flowers.

INQUEST ADJOURNED.

The inquest opened in Speer's Undertaking Parlor on Saturday evening, October 13, over the death of seven-year-old Willie Solley, who was run over by a wagon of the Greater Ice Company, was adjourned until Wednesday.

Henry J. Smith, a carpenter, living at 55 Exeter street, was arrested yesterday morning by County Constable Baker on a charge of theft.

Glouce Bay, N.S., Oct. 13.—Here is a case which sorely puzzled the hospital doctors. It was evident that the great suffering from pain under the left shoulder blade was due to torpidity of the liver, but no medical treatment seemed to do any good.

In fact, medicines failed, and the doctors said an operation was the only hope. But Mrs. Watkins hesitated before the enormous risk of an operation, and decided to try Dr. Chase's Kidney-Liver Pills first.

The result was that she was perfectly cured three years ago and feels now that she can report the cure as thorough and lasting. This is not an isolated case, but proves that this great medicine cures when ordinary prescriptions fail.

Mrs. Annie Watkins, Glouce Bay, New Harbor, N.S., writes: "I think it is time for me to give my experience with your wonderful Kidney-Liver Pills. For seven months I suffered with what the doctor called indigestion, but whatever it was, I suffered terribly. The pain would start under my left shoulder and pass down my stomach. It just seemed as if the flesh were being torn from the bone. At times I used to go without food from one morning until the next. I had no energy left for work at all. At last our doctor went to the hospital for a month. For four days and nights I never broke my fast except for a drink of water. After four weeks' treatment there I returned home, but the pain was back only four days when the pain came back worse than ever. Then I was told I would have to undergo an operation, but I would not consent to that. At last I read about Dr. Chase's Kidney-Liver Pills and started to take them. At first I did not notice much difference, but still I kept on using them, and by the time four boxes were used I was perfectly well again. That was in 1916, so you see I can safely say that I was cured, shall always be grateful to Dr. Chase's Kidney-Liver Pills, as they did more for me than four doctors."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, all dealers. Edmondson, Bates & Co., Limited, Toronto. Refuse substitutes, for they only disappoint.

DISCUSSED DELAY
IN PURCHASE DEAL

North Toronto Ratepayers Send Deputies to the City Hall.

OFFICERS RE-ELECTED

Question of Supervised Playground Was Fully Debated.

The annual meeting of the North Toronto Ratepayers' Association, held at the City Hall on Saturday night, was largely attended, and representative of the business interests of the northern part of the city.

The election of officers resulted in the unanimous selection of the old board, Richard L. Baker, president; Frank Howe and W. L. Cullen, vice-presidents, and J. Wooten, secretary-treasurer. In addition to the foregoing an executive committee was chosen, consisting of Messrs. Skelton, Thorne and Dr. Evans. Last year's president, R. L. Baker, and the other officers came in for a good deal of favorable commendation for their excellent work during the year.

The meeting was a business one and talked business from the word go. They were annoyed at the delay in the putting thru of the Metropolitan deal, and said so, and a strong committee was named to go before the board of control on Wednesday morning to learn, if possible, the reason for the delay.

Supervised Playground. They took up the matter of the proposed purchase of a small field from D. Reid for the installation of a supervised playground at an estimated cost of the acquisition of the portion of \$18,000. The meeting as a whole was strongly opposed to anything of the kind at the present time. Ald. H. H. Ball opposed the proposal and said what the northern part of the city needed was a supervised playground, not an athletic field, and in any event no action should be taken without consideration being given to the views of the northern residents. R. L. Baker, Frank Howe and W. G. Ellis, practically the board of control, and the general tenor of the meeting, with the exception of Ald. Beahm, was along the same lines.

D. Reid's motion for the appointment of a committee of five to represent appellants at the court of revision was discussed briefly and laid over until the next meeting. The suggestion for the purchase of the old C. P. R. bridge over the ravine at Summerhill, near the city hall, was also discussed, and a committee was named to interview the proper authorities.

When the North Toronto Ratepayers' Association gets through with yet again it is proposed to hold a convention for the purpose of discussing the scope and influence of the association, President Baker, who is indefatigable in his labors toward this end.

CHRISTMAS BOXES.

Major Burch Makes Appeal for These for Overseas.

Major Burch, overseas chaplain in the 3rd Battalion, who recently returned from France, delivered a most interesting sermon at the Christmas morning service in Victoria Presbyterian Church, West Toronto. It was making an appeal to the congregation for \$600 to fund Christmas boxes for the 287 members of the church now on active service. He spoke of his great delight, along with his fellow soldiers, who have their Christmas boxes last Christmas. The evening service was conducted by Rev. H. Gorons of Mount Dennis.

A men's Bible class was instituted in St. John's Anglican Church yesterday afternoon by the new rector, Major Richard Macrae, whose inauguration it is to be held at a large class to meet every Sunday.

GERMANS AFFIRMING
WRONG PRINCIPLES

Sir Robert Falconer, in University Sermon, States Aim at Fighting For Real Principles.

"With the outbreak of war, the ways of the world changed and a great affirmation has come," said Dr. Falconer on Sunday morning at the University Hall. "Men have spoken with their lives in very real ways of the world's affirmation. The old security of life has passed away."

The first university sermon for this term was preached by the president of Toronto University, Sir Robert Falconer, on Sunday morning at the University Hall. He spoke of the great affirmation of the world, and the old security of life has passed away. He said that the first university sermon for this term was preached by the president of Toronto University, Sir Robert Falconer, on Sunday morning at the University Hall. WHITMAN SUPPORTS MITCHELL.

New York, Oct. 14.—Governor Whitman, acknowledged head of the Republican party in New York State, announced tonight he would vote for Earl Grey road. He was taken to the Hospital for Sick Children.

CHILD'S LEG BROKEN.

Six-year-old Colin Hammond had his right leg broken when he was knocked down by a motor car on Sunday evening. His home is at 52 Earl Grey road. He was taken to the Hospital for Sick Children.

DIED IN CAMBRIDGE.

The death occurred suddenly in Cambridge, Mass., of Frederick Henry Sykes, M.A., Ph.D., late of Toronto. Mr. Sykes came here when a small boy and spent most of his life in this city. He was a graduate of the University of Cambridge, and was a member of the Cambridge College Institute. His wife was Miss Louise L. Ryckman, a daughter of W. J. Sykes, resident at 18 Howland avenue, from whose home the funeral will take place to Mount Pleasant Cemetery on Wednesday, at 2 p.m.

MAY CALL SIR JOSEPH.

It is understood that Sir Joseph Flavelle will be called to give evidence before the royal commission investigating the alleged profits on bacon. It is expected that Sir Joseph's testimony will be given at this week's session on Thursday, Friday and Saturday.

TRIBUTE TO SOLDIER.

Lieut. Samuel Was Member of Holy Blossom Synagogue.

A touching tribute to the late Lieut. Cecil Samuel, notice of whose death was received in Toronto last week, was paid by Rabbi Jacobs at the close of his sermon in the Holy Blossom Synagogue last evening. He stated that for years the late lieutenant was a member of the congregation. He was of a loving nature, and when the war broke out he was among the first to enlist. It was not a matter of compulsion, said the rabbi, "but simply a plain sense of duty, and I feel I am only giving expression to the feelings of most of us here who knew and who loved him when I say we all deplore his loss. He has offered up his young life on the altar of patriotism. The name of Lieut. Cecil Samuel will be another one added to our long honor roll, which will testify to the loyalty of the British Jew to his King and his God in the hour he trusted apportion to him a heavenly harvest, and may he who is the source of all comfort, send his heavenly consolation to all who mourn for him."

F. B. Carvell's Son-in-Law
Meets His Death at Front

Woodstock, N.B., Oct. 14.—Mrs. Wm. N. Fisher of this town received word today that her son, Capt. (Dr.) Arthur M. Fisher, was killed in action at the front on Friday. Capt. Fisher was a son-in-law of Hon. Frank B. Carvell, minister of public works. He was 26 years of age.

Kerensky Will Insist Upon
Stricter Discipline in Army

MURRAY-KAY, Limited

MURRAY STORE 17-31 KING ST. E. KAY STORE 36-38 KING ST. W. ESTABLISHED 1883 ESTABLISHED 1888

French Model Coats That Are Passing Lovely

As to Design, While the Cloth is of Finest Quality

There's the atmosphere of the Rue de la Paix in their every fold—from collar to hem these beautiful French Coats reflect the marvelous skill of design that is epitomized in the word "Parisian."

And there's another thing about these models that must be given special mention—it's the beautiful quality of the cloth. We hear so much these days about the scarcity and high prices of good materials—we know that pure wool fabrics will soon be things of the past—yet, somehow or other, these clever couturiers have procured exquisite velours, broadcloths, pom-pom cloths and so on, that for beauty of texture have never been surpassed.

Any one of these FRENCH MODEL COATS will prove treasure trove to its owner. There are scores of original models to choose from, four of which have been selected for description.

Green Velours Coat, by Avadis, cut on wide, loose lines, lined throughout with lovely silk crepe, the exact shade of the cloth—trust the French designer for that! Strappings of black military braid are used on the upper part of the coat, and the big rolling collar and deep cuffs are trimmed in novel effect with little squares of moleskin arranged on the cloth in chess-board effect. Price \$90.00

Maduro Brown Broadcloth Coat, by Bulloz, made like a wrap, with deep military cape at the back, which connects itself with a deep bolero of velvet in the front. This velvet over-jacket fastens with a very handsome buckle in brown and gold, and bands of natural beaver make a charming trimming. Price \$110.00

Burgundy Velours Coat, by Fidler, lined with lovely printed silk, the striking feature being the very high soft collar, which is held in place about one's neck by a cleverly-adjusted strap. Price \$75.00

Black Poiret Twill Coat, by Jenny, the cloth of exquisite quality, the model cut on loose lines, lined with grey silk, and given a chic finish by collar and long revers of grey Poiret twill. Price \$75.00

Women's "Zenith" Underwear
Prices \$1.00 to \$2.50 a Garment
"Zenith" Underwear is known as "the unshrinkable kind."

Women's Vests, with low neck, elbow or long sleeves, or with high neck, short or long sleeves. Drawers, ankle or knee length. Both styles. Sizes 34 to 38. Per garment \$1.00 Out sizes, 25c extra.

Women's Combinations, same quality as above, in ankle length, low neck with elbow sleeves, or high neck with long sleeves. Sizes 34 to 38. Per suit \$2.25 Out sizes, 25c extra.

Women's Electric Seal Coats
A Very Smart Model at \$150.00
If your desire is to purchase a really good-looking coat at a moderate price, see this model.
