Tough and Serviceable Slip-on Overalls for All Kinds of Rough Jobs
FOR MEN who work around machines, boilers or automobiles or who are carpenters, electricians, plumbers, shell makers, etc., the overall is practically indispensable. Those made of colored denim are particularly adapted for rough wear, the canvas-like weave makes the fabric tough and durable.

Another line of denim overalls in black, blue or with blue and white stripes have bib, elastic suspenders, brass buttons and strong double buckles. Sizes 34 to 46. Price 1.00

OILSKIN APRONS made in black or reddish brown colors have large bib, elastic suspenders and five pockets. Just the thing for anyone working where it is necessary to wear waterproof clothing. Price, each.50

The Combination Smock and overalls or suit is made in one piece to keep out dust; easily slipped on and off. It is made from firmly woven denim in plain black or khaki, in sizes 36 to 44. Price 2.00
—Main Floor, Queen St.

Japanese Lanterns Fresh from the Orient and Ready for Verandah or Lawn Party, Etc.

WHEN OUR BUYER returned, just recently, from Japan, he brought with him a magnificent variety of quaintly shaped and peculiarly decorated fancy lanterns, such as only the people of that country are capable of producing. We believe the collection includes the largest and the most extensive variety of original Japanese lanterns to be found anywhere in Canada.

And those who are planning a May fete or lawn party or who like to decorate the verandah, should avail themselves of the opportunity of choosing their decorations from this extensive assortment of Japanese lanterns. The surprising feature about them is, that they are exceptionally low priced. Those 7 inches high being 4c each and others in proportion up to size 36 inches at \$2.00 each. See the display in the Basement.

Appropriate Draperies for Bungalows, Yard 30c to 85c

We have a big variety of these materials for beautifying the summer house in such popular styles as art nouveau, awning stripe and block designs, suitable for over-curtains, verandah cushions, couch covers, etc.; 32 to 36 inches wide. Yard 30c to35

ENGLISH CRETONNES, 30 inches wide; new floral and conventional patterns, and bright colors. Yard15

CURTAIN SCRIMS, 36 inches wide, on white or ivory grounds, with floral or conventional border designs, in dainty colors for bedrooms or summer homes. Yard15

CHINTZES AND TAPESTRY CRETONNES, 32 to 36 inches wide, in floral, verdure or stripe designs, and new combination colors. Yard25

JAPANESE LAMP SHADE SILKS, 36 inches wide, in new colors, including rose, pink, blue, tan, brown, mauve and gold. This is a beautifully finished silk that can be used for lamp shades, round cushions, etc. Yard, 75c. Silk Fringe to match, 2-inch, yard, 50c; 3 1/2-inch, yard, .75; 4-inch, yard 1.00
—Fourth Floor.
