The annual meeting of the United District Football League will be held tonight in Sons of England Hall at 8 p.m. sharp. It is essential that every affiliated club should be represented, as important points regarding the method of running the league in future will come up for discussion. One of the most important of these is whether the league should be run by the same executive that comprises the newly organized T. & D. or by a separate executive entirely. The majority seem to favor the same executive to run both, arguing that it will save clashing in many ways to have it that way. On the other hand there are others who claim that there should be two separate bodies. The matter will have to be finally decided tonight. The council have submitted a number of changes to the constitution to the clubs and these, no doubt, will also create considerable discussion.

If the meeting decides to allow the

no doubt, will also create considerable discussion.

If the meeting decides to allow the one executive to run both association and league it is almost certain that the council that will be elected tonight will operate them as the same clubs comprise both bodies and will hardly make any change at the annual meeting of the association next month,

Toronto has a chance to put the game of soccer well to the front in the sporting world during the coming season and the delegates should select the best men to handle their affairs and set aside all petty jealousies and work together for good of the game in general.
