

## WHAT IS IT?

It is a compound extracted from the richest medicinal barks, roots and herbs. It is the production of many years' study, research and investigation. It possesses properties, purely vegetable, chemically and scientifically combined. It is **Nature's Remedy**. It is perfectly harmless and free from any bad effect upon the system. It is nourishing and strengthening; it acts directly upon the Blood, and every part throughout the entire body. It quiets the nervous system; it gives you good, sweet sleep at night. It is a great panacea for our aged fathers and mothers; for it gives them strength, quiets their nerves, and gives them Nature's sweet sleep, as has been proved by many an aged person. It is the **Great Blood Purifier**. It is a soothing remedy for our children. It relieves and cures all Diseases of the Blood. Give it a fair trial for your complaint, and then you will say to your friends, neighbors and acquaintances: "Try it; it has cured me."

### A PUPIL OF ST. MARIE,

Montreal, writes: "My health has been restored owing to the changes wrought in my system by Northrop & Lyman's **Vegetable Discovery**.

I certify that it is an excellent remedy, and I believe it is unequalled as a cure for Dyspepsia. I feel thankful that I was induced to use the first bottle."

### A PUBLIC BENEFactor.—MR. F. X.

LEMIRE, L'Assomption, P.Q., writes: "The effect of Northrop & Lyman's **Vegetable Discovery** is really marvellous. To do justice to the discoverer of this medicine his name should be placed among those of the benefactors of mankind."

MR. W. LINTON, Billingsbridge, Ont., writes: "I was troubled with biliousness accompanied by vomiting for years. Could get no relief and often had to send in haste for my physician. I now enjoy good health having been cured by using five bottles of Northrop & Lyman's **Vegetable Discovery**."

## AT DEATH'S DOOR.

### DYSPEPSIA CONQUERED. A GREAT MEDICAL TRIUMPH.

GENTLEMEN,—My medical adviser and others told me that I could not possibly live when I commenced to use Northrop & Lyman's **Vegetable Discovery** for Dyspepsia. My case was one of the worst of its kind. For three years I could not eat meat and my weight decreased from 219 to 119 lbs. All the food I took for thirteen months previous to taking the **Vegetable Discovery** consisted of milk. I am now entirely cured and have regained my usual weight, can eat anything with a keen relish and feel like a new man. I have sold over thirty dozen of **Vegetable Discovery** since it cured me, as I am well known, and people in this section know how low I was, and thought I could not possibly be cured. They are eager to try this grand medicine. It certainly saved my life, as I never expected to recover when I first com-

menced using it. I am not exaggerating anything, but I feel glad to be able to contribute this testimonial, and trust it may be the means of convincing others of its merit as a certain cure for Dyspepsia. (Signed) JEAN VALCOURT, General Merchant, Wotton, P.Q.

### A MAN MADE HAPPY.—MR. MELVILLE

B. MARSH, General Merchant, Abercorn, P.Q., writes:—"For five years I had been a great sufferer with Dyspepsia, the pain in the pit of my stomach was almost unbearable, and life only seemed a drag to me. When I would go to sleep I would have horrible dreams, and my life became very miserable, as there was no rest neither day nor night. But with the use of only two bottles of Northrop & Lyman's **Vegetable Discovery** this unhappy state has all been changed, and I am a well man. I can assure you my case was a bad one, and I send you this that it may be the means of convincing others of the wonderful curative qualities possessed by this medicine that are specially adapted for the cure of Dyspepsia. A lady customer of mine had the Dyspepsia very bad, she could scarcely eat anything, and was troubled with pains similar to those I suffered with, and she cured herself with two bottles of Northrop & Lyman's **Vegetable Discovery**. I wish you success with your medicine, as I am fully convinced it will do all you claim for it."
