SAVE YOUR HAIR!

25 CENT BOTTLE

STOPS DANDRUFF

Every Bit of Dandruff Disappears and Hair Stops Coming Out.

Try This! Your Hair Appears Glossy, Abundant, Wavy and Beautiful

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied, causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair. Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance, an incomparable gloss and softness; but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp. Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating and life-producing properties cause the hair to grow long, strong and beautiful.

THREE-INCH CANNON MOUNTED ON TANK TESTED BY GERMANS

French Front in France, Oct. 6.—(By The Associated Press.)—The Germans are experimenting with a tank armed with a three-inch cannon and machine guns. The forward end of the tank is fitted with a spur-like ram, while the upper part bears a superimposed cupola. The armored plates descend sufficiently to protect the caterpillar wheels, which thus are almost invisible.

A MARTYR TO CAUSE OF WOUNDED SOLDIERS

Paris, Sept. 12.—(A. P. Correspondence.)—Doctor X. M. Vaillant, head of the radiographic service at the Lariboisiere Hospital in Paris, who had recently lost several fingers in successive operations resulting from the use of X-rays, has just undergone the amputation of the left forearm from the same cause. Dr. Vaillant persists in continuing his work at the Lariboisiere hospital, in view of the value of his work to the wounded.

SWEEPING CLEAN-UP OF GREEK JUDICIARY

Athens, Sept. 12.—(A. P. correspondence.)—The new government, which succeeded that of King Constantine, has adopted radical measures toward the judicial system, and some sixty judges of the supreme court on the charge of having

used its high judicial functions for political ends in protecting the officials of the late king, and permitting the persecution of the Venizelos element. The chief justice, associate chief justice and five associate justices have been summarily removed, and some sixty judges of courts below the supreme court are similarly displaced. Such a sweeping

Overworked Women

There is a never ceasing treadmill of work in the modern woman's home; ambition to keep the house neat and attractive, the children well dressed and the family well fed and the constant struggle with cooking, washing, ironing, dusting, mending and sewing, to say nothing of social duties, often bring on some feminine disorder; physical weakness develops and every day becomes a period of misery.

To thousands of such women

Lydia E. Pinkham's Vegetable Compound

has brought health and strength and happiness. To prove this

Read what these women say.

Providence, R. I.—"I cannot speak too highly of your Vegetable Compound as it has done wonders for me and I would not be without it. I had a displacement, bearing down pains and backache, and was thoroughly run down when I took Lydia E. Pinkham's Vegetable Compound. It helped me and I am in the best of health at present. I worked in a factory all day long besides doing my housework, so you can see what it has done for me. I give you permission to publish my name and I speak of your Vegetable Compound to many of my friends."—Mrs. ABEL LAWSON, 128 Lippitt St., Providence, R. I.

This is an unsolicited testimonial, published by Mrs. Lawson's permission in the hope that it may help other women.

Prescott, Ark.—"When I began taking your Compound I was in a serious condition caused by overtaxing my strength. For years I carried heavy buckets of water to the horses and cows. I would help set, replant, hoe and cut tobacco, and help to hang it in the shed by hanging it up to the one above me. All this I have done besides my housework for a family of five, baking, washing and ironing, and tending my garden and raised chickens. I became irregular and extremely nervous. A neighbor recommended Lydia E. Pinkham's Vegetable Compound to me and it has restored me to health. I have become regular and am cured of that cold feeling, and my nerves are stronger. I cannot praise the Compound too highly and hope some suffering woman will read my letter and take heart and give it a trial."—Mrs. R. KINNISON, R. R. No. 1, Prescott, Ark.

Washington Park, Ill.—"I am the mother of four children and have suffered with female trouble, backache, nervous spells and the blues. My children's loud talking and romping would make me so nervous I could just tear everything to pieces and I would ache all over and feel so sick that I would not want anyone to talk to me at times. Lydia E. Pinkham's Vegetable Compound and Liver Pills restored me to health and I want to thank you for the good they have done me. I have had quite a bit of trouble and worry but it does not affect my youthful looks. My friends say 'Why do you look so young and well?' I owe it all to the Lydia E. Pinkham remedies."—Mrs. ROBERT STROVER, Moore Avenue, Washington Park, Illinois.

If you have such illness as Mrs. Stoppel had, can you afford not to use what cured her?

For forty years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for woman's ills and is more popular today than ever. Lydia E. Pinkham Med. Co., Lynn, Mass.
