Action will be taken to secure better service than is now being handed out to St. John patrons of the Canadian government railways who wish to go to Montreal via the Ocean Limited.

The matter has been taken up with the board of trade and the city council and action will be taken soon. What is needed, it is pointed out, is a regular direct connection with the Ocean Limited to Montreal, a general improvement between here and the railway town and the elimination of the old trucks which the local

Do You Like to Get Tired In the Kitchen?

The way some women hang on to their old-fashioned kitchens one would think they liked to wear themselves out doing the work. The miles of steps they take getting three meals a day; the unnecessary trips to pantry, cellar and storeroom is drudgery that makes young women quickly grow old.

A million women in America won't submit to such slavery. They bought a Hoosier and do the same work easily and in half the time.

This HOOSIER Cabinet Cuts Work in Half**The Vital Part of Your Cabinet**

The picture above shows how the scientific arrangement of the Hoosier makes it a real helper. Storage space is above and below. There is plenty of unhampered room above and around the aluminum work-table.

There are no useless little partitions to chop up the space and leave no room for work. Your cabinet must have big table space to work on. The Hoosier gives it.

Come and see these six exclusive Hoosier features:

- 1.—The all-metal glass front flour bin.
- 2.—The gear-driven shaker flour sifter which makes flour light and fluffy.
- 3.—Scientific arrangement—articles needed most frequently easiest reached.
- 4.—Revolving caster (shown in center of illustration).
- 5.—The ingenious, big-capacity sugar bin—holds more than twice as much as most other bins.
- 6.—Finally, the doors that roll back at the sides of the cabinet, entirely out of the way.

Prices and Terms

- 1.—\$1.00 down will put any Hoosier in your home.
- 2.—\$1.00 weekly quickly pays for it.
- 3.—The low cash price fixed by the factory prevails strictly.
- 4.—No extra fees; no interest.
- 5.—Only a limited number will be sold during this sale.
- 6.—No collectors going to your door. We prepay freight to all parts of the maritime provinces. Send your mail orders early.

SOLE AGENTS

Have the Hoosier delivered at once by paying only \$1.00! You may make payments at the rate of \$1.00 per week, without extra cost or interest. And regardless of the room in your kitchen, there's a special Hoosier model to fit, at a price you can easily afford.

Every Woman Has a Right to a Hoosier

When you can put a Hoosier in your kitchen today for such a small sum, don't you think it is false economy to save these few dollars at the expense of your own strength and health?

At Least Come and See the Hoosier

Have a demonstration of its exclusive work-saving features. No obligation incurred if you don't want to buy now. But at least learn why over a million women can't do without a Hoosier.
