BOWLING.

Hardware Men Win Four.
In the Commercial Bowling League on Black's alleys last evening, the team from Emerson & Fisher won from the team from Baird & Peters, taking all the four points. The scores for the match were as follows:

Emerson & Fisher.	Total.	Avg.
Fitzgerald ... 71 77 70 218	72-3	
Emerson ... 91 91 78 260	86-3	
Emerson ... 80 81 80 241	87	
Emerson ... 77 82 79 238	78-1-3	
Emerson ... 95 87 83 265	88-1-3	
424 428 390 1242		

Baird & Peters.	Total.	Avg.
Maher ... 85 84 75 244	82	
Buckley ... 80 82 81 243	81	
Maher ... 71 77 80 228	76	
Elston ... 85 78 70 233	77-2-3	
Lewis ... 87 96 90 273	91	
408 397 398 1203		

Speeds Take Four.

In the City Bowling League on Black's alleys last evening the Speeds won from the Pirates, taking all four points. The highest string for the evening was 114, rolled by Ferguson, of the winning team. The scores for the match were as follows:

Speeds.	Total.	Avg.
Beatty ... 73 104 96 273	91	
McIntyre ... 101 82 89 272	91	
Ramsay ... 88 97 87 272	91-3	
Cromwell ... 84 95 83 262	87-1-3	
Coughlan ... 104 89 97 300	100	
450 477 441 1368		

Won Four Points.

On the Victoria alleys Friday morning the Ames Holden Juniors took four points from the R. G. Dan & Co. bowlers. The highest string was 95, rolled by H. MacMurray of the winning team. BASEBALL.

Four Home Runs for Babe.
Baltimore, April 18.—Babe Ruth, of the Boston Americans, who played left field in today's exhibition game with the Baltimore Internationals, made four home runs in six times at bat. The other two times he was given bases on balls.

Stetson Hats Worth More Than They Cost

A HAT manufacturer can do just one of two things these days of high costs. He can maintain his standards and trust his public to pay the increase. Or he can hold his price down and take it out of the quality of his hats.

Stetson Hats cost more than they did. Compared with the average high-grade hat a Stetson is worth even more than it costs—in quality, style and service.

When you ask for a Stetson Hat—make sure that you really get a Stetson. Each hat is signed with the Stetson Quality Mark.

PLANS REVIVAL OF SPORT IN MONCTON

M. A. A. Campaign; Grounds to be Put in Shape; Rink Suggested; Ladies as Members

(Moncton Transcript.)
A largely attended meeting of the Moncton Amateur Athletic Association was held on Tuesday evening in the board room, city building, with President R. W. Simpson in the chair. Other members present were: A. C. Chapman, W. D. Charters, Reid McManus, F. W. S. Colpitts, Robt. J. Kelly, C. B. Trites, W. G. Atkinson, T. J. Allen, J. W. Humphrey, Robert MacKay, E. W. Givens, H. Morton. Others present included A. T. Weldon, Jasper Steeves, Gerald MacLellan and Len Price.

The following officers for the ensuing year were duly nominated and elected: President—R. W. Simpson. Vice-President—Chas. B. Trites. Secretary—Robt. J. Kelly. Treasurer—Harvey Morton.

The following were nominated for the managing committee of five:—W. G. Atkinson, S. E. MacKie, Robert MacKay, Reid McManus and J. W. Humphrey. President Simpson said that the matter of the membership fee should come before the meeting. For some time the fee had been \$3 per year and later it had

been set at \$1. There should be a special effort made to show the young people that it was to their advantage to take up athletics, now that the war was over. If something real tangible could be done with the athletic grounds, it was a start towards encouraging sport. In looking over the matter he had made a rough estimate of the cost of a fence around the grounds and he figured it out at about \$1,100. With the repairs to be made towards a club house, and a grand stand and bleachers to be built a cost of \$2,000 would be entailed.

Mr. Chapman moved that the membership fee of the association be set at \$3 per year. He was in favor of a drive for members. The motion was carried unanimously.

The president brought up the matter of building a curling rink. The location of the rink was not yet settled and he suggested that it might be a good idea to take the matter of building a rink on the M. A. A. grounds up with the Curling Club Association. In the event of a rink being built, the association could use the club house in the summer season.

Discussion of the matter brought out the fact that a rink of 160 x 60 was being thought of, with three sheets of ice. The curling rink would not interfere with sports of any nature. The question of whether the ground was suitable for a curling rink was, of course, to be taken into consideration.

It was finally decided to leave the matter in the hands of the managing committee.

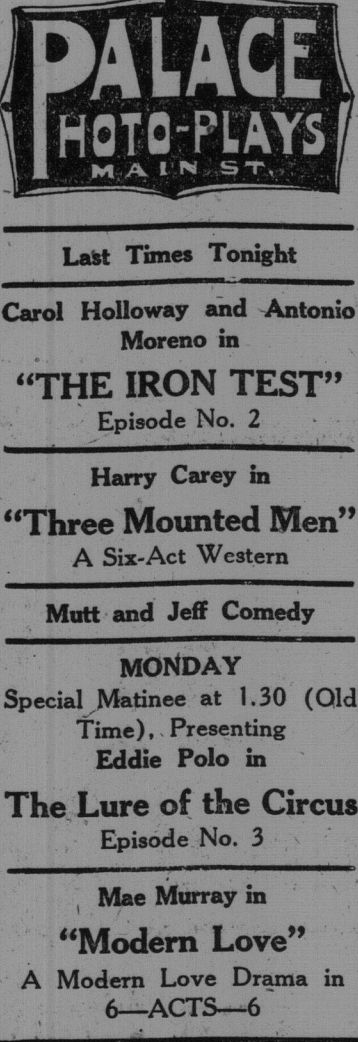

A communication from Rev. Father Vener of St. Joseph's University, regarding summer baseball, was read. The university team looked forward to the revival of the old-time meeting in Moncton on the 24th of May. The college team was depleted by the war, but still believed they had nine men who would try their utmost to give the local team a good beating.

Lady Members.
The meeting discussed the prospects of arranging for as many tennis courts

The strongest endorsement a cigar could get is the repeat orders it receives.

The Pippin—the best 7c Cigar on the Continent—is strongly endorsed.

tion to the sacrament were held in the evening. Very large congregations attended at the Roman Catholic churches and at the evening services, as is customary in the church, the Tenets were chanted.

It was announced last night by the Evangelical Alliance that no action has been taken by the city commissioners all services in the Protestant churches will be held by the old or standard time. The confusion as to time is still the cause of considerable inconvenience.

A sacred concert was held in St. Andrew's church last evening under the direction of Miss Louise Anderson. The following took part in the programme: T. Cochran, Mrs. L. Leclaire and T. Guy, and several anthems were rendered.

The three Protestant churches of Fairfield held a united service yesterday morning in the Methodist church there, and there was a very large attendance. Rev. W. M. Townsend, of St. Columba's Presbyterian church; Rev. A. S. Bishop, of the Baptist church, and Rev. Thomas Marshall, of the Methodist church, all assisted in the service. The address of the morning was on "The Death of Christ," and was delivered by Rev. Dr. Steel.

BASKETS FOR SOLDIERS.
The hospital committee of the Knights of Columbus Army Hut Fund have been exceptionally busy these last few days preparing baskets which will be distributed among the different soldiers now in hospital about the city on Easter Sunday. The treat which the committee, under the direction of Miss Amelia J. Flahy, has been working on for some days will be a splendid donation to the returned soldiers still undergoing treatment in hospital here as a result of wounds received while overseas. Well over a 100 baskets have been prepared, all of which are pretty made and bedecked in lively colors. In the baskets will be placed a tempting line of delicacies especially prepared to meet the taste of the convalescent soldier. The distribution will take place Easter Sunday and the East St. John, the General Public and the St. John Military hospital, Lancaster, will be visited. Each soldier in the various institutions will be given a basket. The committee is supplying ice cream and cake for the Easter Sunday dinner of the soldiers in the hospitals in addition to the baskets.

At a meeting of the St. John branch of the Engineers' Institute of Canada, here on Thursday evening, C. C. Kistner reported on a uniform draft of an act that would make engineering a close profession so far as the qualifications of professional engineers are concerned, and also for the protection of the general public against defective design and workmanship. The matter of an employment bureau for engineers was discussed, as also a minimum schedule of salary for engineers.

**GOOD FRIDAY WAS
OBSERVED QUIETLY**

Good Friday was quietly spent in the city. The day was very mild and the rainy weather predictions were not fulfilled. The day was observed as a holiday in all the business houses. In the Anglican and Roman Catholic churches the most stringent fast of the year was observed. Services were held in all the Anglican churches throughout the day and the offertories were given to the mission for the Jews. A programme of sacred song service was held at Trinity. No services were held in the Baptist churches, but the Methodist churches held their usual services during the evening. In the Presbyterian churches the regular quarterly services prepar-
