What You Ought
to Know

About Hard Coal

Quality—heating power—is quite as important as price in deciding Coal Value.

When you consider that Hard Coal will cost you three-quarters of a cent a pound this season, you can readily realize that the more heat units your coal contains the more economical it is. Our

CCC AMERICAN ANTHRACITE

is known, through careful experiment, to contain more heating properties and less ash than any coal you can buy.

Ash, remember, is pure waste, as it goes far in spoiling an otherwise good fire, besides being an expense to cart away.

Owing to the exceptional richness of heating power and the unusually small quantity of ash in our C. C. C. American Anthracite, it is the BEST VALUE IN COAL YOUR MONEY CAN BUY.

LOCAL NEWS

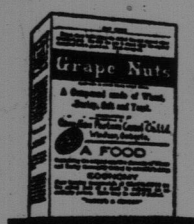

The seven days mission for men, opened in St. John the Baptist Church by Father Coghlan, C. S. R., was continued last evening, Rev. Father McLaughlin, C. S. R., conducting the service. He preached a strong sermon to the men. He was assisted by Rev. F. J. McMurray, the pastor, and Father Coghlan.

King Square was crowded for the opening of the band concert season last evening. The City Cornet Band, under bandmaster Washington, rendered an excellent programme. A cornet solo by D. J. Gallagher was particularly well received. The Temple Band will give a concert on Thursday evening.

Miss Alberta McLeod, who is resigning, and Miss Edna C. Tufts, who is to be married in the near future, were guests of their fellow teachers of Winter street school at dinner in the Manor House last evening. Presentations were made to both young ladies by the principal, W. A. Nelson, on behalf of the teachers. Miss Maud Gibson and Miss Grace Waring delivered addresses.

D. C. Clark, Dr. Thomas Walker, and Dr. H. S. Bridges of the Marine Grand Lodge, left last evening for Quebec, en route to England to take part in the victory celebrations of the Grand Lodge of England during the last week of June. Lieutenant Atwood Quebec, a son of Dr. Bridges, arrived at Halifax while his father was on his way to Quebec. Another son, Dr. Stanley Bridges, is in London.

Fire at Newcastle.
Fire in the lumber yard of the Edward Sinclair Lumber Co. at Newcastle yesterday destroyed lumber valued at about \$50,000. The work of the Newcastle Fire Department, assisted by a detachment from Chatham, prevented the blaze from spreading to the mill.

Two large rooms suitable for light housekeeping. Phone 2930-11. 6-14

Champion Spark Plug Salesmen in Convention

Toledo, Ohio, June 9—One hundred and twenty-five salesmen, constituting the sales force of the Champion Spark Plug Company, are gathered at the home offices in Toledo, for their semi-annual convention. They come from all parts of the United States and Canada and according to the programme mapped out by sales manager, F. B. Caswell, the convention promises to be the biggest and most interesting ever held by the Toledo concern.

Owing to the war and the fact that so many of its salesmen were in the service, the Spark Plug Company did not hold its regular January convention. But in the last few months, twenty-eight men have returned to the sales force so that the event now in progress brings together many members of the sales organization who have not seen each other for more than two years.

The jobs' salesmen assembled on Thursday for a three day preliminary session. Monday will see all of the company's travelling representatives in Toledo, including those in charge of the thirty-five advertising cars who are now driving cross country on a schedule that will bring them to Toledo in time for the meeting.

Wanted Everything Correct.
Architect—Have you any suggestion for the study, Mr. Quickrich?
Mr. Quickrich (was profferer)—Only that it must be brown. Great thinkers, I believe, are generally found in a brown study.

Merchants Bank Makes New Records; Shows Gains In Every Department

At the annual meeting of the Merchants Bank held at the head office on Wednesday, the 4th of June, the shareholders were treated to a very gratifying report. An examination of the statement shows that progress was made in every department of the bank's activities. Large gains were made in deposits, both interest bearing and non-interest bearing, as well as in liquid assets, current loans, total assets and net profits. The gain in interest bearing deposits was unusually large amounting to almost \$16,000,000 bringing the present total to nearly \$91,000,000. Total deposits now stand at \$188,000,000 as compared with \$118,000,000 a year ago. The bank as usual has taken the precaution to keep a large proportion of its assets in a quickly available form, thus furnishing additional evidence of its conservatism and good management. These stand at \$62,700,000 or 33,000,000 greater than a year ago. That the bank has not by any means been standing still is shown by the fact that current loans now stand at over \$85,874,000, a gain of almost \$20,000,000 during the year and this indicates that the bank is doing its full share in catering to the requirements of the country. The total assets now stand at \$166,725,000 as compared with \$140,987,000 for the previous year. Further evidence of the

Sir James Loughheed Tells of New Scheme Providing Apprenticeship

Ottawa, June 10—Announcement is made by Sir James Loughheed, minister of the Department of Soldiers' Civil Re-establishment, that a general policy with reference to training for those boys who enlisted in the Canadian Expeditionary Force under the age of eighteen years, has been adopted by the government.

BULLETIN

With the approach of peace comes advancing prices of many commodities which enemy and neutral countries have so long been deprived of. These include food fats and oils, such as salad oil, lard, shortening, Crisco and similar products, coffee, cocoa and chocolate are also feeling the impulse of this greater demand for foreign account.

Take advantage of our special prices this week.
