

USE "TIZ" FOR SORE,
TIRED, ACHING FEETNo More Puffed-up, Burning,
Sweaty, Calloused Feet
or Corns

Good-bye sore feet, burning feet, swollen feet, sweaty feet, smelling feet, tired feet.

Good-bye corns, callouses, bunions and raw spots. No more shoe tightness, no more limping with pain or drawing up your face in agony. "TIZ" is magical, acts right off. "TIZ" draws out all the poisonous exudations which puff up the feet—the only remedy that does. Use "TIZ" and wear smaller shoes. Ah! how comfortable your feet will feel. "TIZ" is a delight. "TIZ" is harmless.

Get a 25 cent box of "TIZ" now at any drugstore or department store. Don't suffer. Have good feet, glad feet, feet that never swell, never hurt, never get tired. A year's foot comfort guaranteed or money refunded.

A. GORDON LEAVITT
TALKS ON BIRDS

The monthly reading of the Natural History Society of New Brunswick last evening at the museum in Union street, was given by A. Gordon Leavitt, the treasurer. W. F. Burditt, the president, was in the chair. The subject of the reading was birds in general, though Mr. Leavitt dealt chiefly with such birds as are found in New Brunswick at some season or other.

The following donations were received for the museum: Old padlock said to be from the first police station in St. John, gift of Solomon McConnell; model of dugout such as is used by the river men of upper St. John, gift of the Girls' Guild of St. John's church; mounted moose head, gift of Mrs. Walker; Balkan pipe which went through the Balkan war, presented to the society by Andrew Rolston through George McSorley; a large number of articles loaned by Herbert G. Currie, including twenty-three guns, eight pistols, one sword bayonet and many other historical objects; cash donation of \$10 from Miss Mary Jardine; sparrow hawk by Mr. Stockford.

The following members were elected: Regular member, Bruce W. Weston; associates, Mrs. Bruce W. Weston, Mrs. H. S. Culver, Miss Dorothy Culver, Miss Maud Rettall, Miss Georgia Hayward and Miss Brown.

COMMISSION TO
INVESTIGATE THE
DUGAL CHARGES

Sir Frederic E. Barker, Mr. Justice McKeown and W. S. Fisher Appointed by Lieutenant Governor Wood

Fredericton, May 5—Lieutenant Governor Wood this evening announced the names of those who are to compose the royal commission for the purpose of taking evidence and reporting upon the charges preferred by Mr. Dugal in connection with the timber houses and the Valley railway. The commission is to consist of:

Sir Frederic Barker (chairman), Mr. Justice McKeown, and Mr. W. S. Fisher (of Emerson & Fisher).

Attorney-General Clarke waited upon Governor Wood tonight when his honor arrived from St. John, and Mr. Wood announced the names to him and afterwards courteously gave them to the newspaper representatives. His honor was much gratified upon being able to persuade Sir Frederic Barker to act as chairman. Sir Frederic was at first reluctant to undertake the work, but as he has been enjoying a rest and his health is much improved, Governor Wood was able to persuade him to act, and Sir Frederic's sense of public duty was a strong factor in his consent.

Mr. Justice McKeown and W. S. Fisher are, of course, well known men, whose connection with many public matters renders them familiar to the general public. Judge McKeown's long legal training and his judicial position make him a most valuable member of the commission, and Mr. Fisher as a prominent business man known throughout the province, was the selection for the layman's seat on the board.

It will be necessary to have commissions issued to these gentlemen, and it is anticipated that this will be done by order-in-council during the next day or two. This will be followed by an organization meeting of the commissioners at a date which they will arrange at their convenience.

From what Governor Wood said tonight the understanding is that this royal commission will take evidence on both of the Dugal charges—those in connection with the crown land bonuses as well as those concerning the Valley railway.

Suffragettes' Convention

The members of the East St. John Girls' Gymnasium Club repeated in St. Mary's school room last evening the play entitled the Suffragette Convention which they put on very successfully in East St. John last week. The play was very entertaining and caused a great deal of laughter throughout the performance.

Those who took part in the proceedings of the convention were Miss Clara Magee, Miss Bertha Forbes, Miss Margaret Foley, Miss Mary Eckerbrecht, Miss T. Read, Miss Edith Magee, Miss Annie Gillen, Miss Maud Jocelyn, Miss Ada Foley, Mrs. Charles Farnham and James Bazanson. During the evening Miss Bazanson rendered by Mrs. Read and Mrs. Ferris.

THE HALF-SPEED
MAN AND WOMAN

What It Means when You Feel "All Out of Sorts."

You know what it means to feel "all out of sorts." Most people have felt this way at some time. Nerves out of order, irritable, languid, depressed. An aching head, a lagged brain, appetite had and digestion weak. With some people this condition comes and goes; with others it is chronic; they can't shake it off. It interferes with business, spoils recreation and robs life of all its joys. These men and women are only able to live and work at "half speed."

Half speed people have lost that abundant natural vitality which enables others to go "full-speed-ahead" through life. Their energy and nerve power have evaporated—they cannot work long without breaking down. The trouble is nerve weakness and is caused by poor, watery blood. You can begin to improve your condition today by taking Dr. Williams' Pink Pills. They make rich, red blood once more pulsate through your veins, and your nerves thrill with fresh vigor. Here is convincing evidence that new strength and full health can be had through the use of Dr. Williams' Pink Pills sold at Newton Mayhew, North Tryon, P. E. I., says: "I am a farmer and naturally have to work very hard. The result was that I found myself very much run down, my blood became thin and watery, and my muscles flabby. I took doctors' treatment but it did not help me and I grew so weak that I could scarcely work at all. As I found the medical treatment was not helping me I decided to try Dr. Williams' Pink Pills, and in these I found the medicine I needed, as in a short time I was restored to my old health and vigor. I shall always recommend these pills to all sufferers."

Dr. Williams' Pink Pills are sold by all medicine dealers, or will be mailed, post paid, at 80 cents a box or six boxes for \$2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.

ANNUAL MEETING OF
LOYALISTS SOCIETY

At the annual meeting of the New Brunswick Loyalists Society last evening, Venerable Archdeacon Raymond was chosen as delegate of the society to the meeting of the Royal Society of Canada to be held in Montreal during the last week of this month. The election of officers for the ensuing year resulted as follows: President, D. J. Seely; first vice-president, C. A. MacDonald; second vice-president, J. S. Flahar; third vice-president, C. E. L. Jarvis; treasurer, R. W. W. Frink; secretary, G. Morrissey; assistant secretary, L. D. Milne.

High tribute was paid by the president to the memory of the late Dr. R. Jack, who for many years contributed to the success of the society the great undertakings of the Loyalists Society of which he was a prominent and active member until his death.

"George," said the wife of her generally unapproachable husband, "how do you like my new hat?"

"Well, my dear," said George, "it's a great honor, to tell you the truth."

"Stop right there, George! If you're going to talk that way about it I don't want to know."

MAY SALE OF
Men's and Boys' Clothing
Announcement of Great Bargains in Boys' Fancy Overcoats and
Two and Three-Piece Suits
For Thursday Morning

BOYS' TWO AND THREE-PIECE SUITS—Bloomer pants. Many of these suits are made with two pairs of pants. Stylish, up-to-the-minute models of the usual M. R. A. high standard of tailoring and finish. ALL GOES WELL
FOR TESTIMONIALTribute by St. John People To
Hugh Campbell, Popular Vocalist

"Tickets are out and plans are well advanced for the testimonial to be given for Hugh Campbell, veteran vocalist, in the York Theatre on Thursday, May 14, and everything points to an evening of keen enjoyment of a superior program."

Hugh Campbell When a Young Man

me, as well as in the knowledge that all who attend will be assisting in a tribute to one who never declined the call when his voice and talent were requested at local entertainments. Mr. Campbell recently had the unfortunate to break his leg and the present has been declared an opportune time for the testimonial entertainment.

Few vocalists have had so long a record of good service. His first appearance on the stage was when he appeared in the old Mechanics' Institute, more than forty years ago. It was very gratifying to all who heard him, for the public recognized that Mr. Campbell possessed a fine voice. Mr. Campbell appeared one year later in the Dramatic Lyceum, situated on the south side of King Square. During his spare moments he has been the study of music in earnest and under the tutelage of James Scribner, of Scribner Brothers' Minstrels, his voice developed until he was recognized as the finest ballad singer in the maritime provinces. Afterwards he sang in Lee's Opera House, Dock street. Four years later Mr. Campbell joined the famous "Home Circle Minstrels," a local company possessed of much talent. He sang with them in Nova Scotia, New Brunswick and Prince Edward Island. Afterwards he joined the renowned Skiff and Gaylord's Minstrels, as ballad soloist. He traveled with them throughout the maritime provinces and also covered Newfoundland, his last public appearance being at Eastport, Me., where he was given a great reception by the mayor and common council at that time. Soon after that Mr. Campbell was called to London, N. S., and sang there one evening and the people in appreciation of his services presented him to a purse of gold. Later on he joined St. Peter's church choir, where for fifteen years he has been a leader. During all these years Mr. Campbell has sung in halls of denunciations, and he has been willing to assist and co-operate in any good work. Today, notwithstanding he has been singing for more than forty years, he possesses a fine, sweet voice.

At least three times in his long musical career Mr. Campbell was given testimonials by his friends. In 1871 or 1872 a benefit concert was held in the Temperance Hall which then stood at the corner of Simonds and High streets, North End. The second benefit was held under the auspices of St. Joseph's

Society, many years ago. A third was given a few years ago. All were successful, but it is expected that none will compare with that now being arranged for this month.

Dairy Inspection.

At a meeting of the board of health yesterday the matter of dairy inspection was considered. Letters were read from the Boston board of health saying that an examination of milk sent from St. John has passed a severe test. It was said, however, that when the Boston inspectors came here they found conditions on New Brunswick farms were not the most ideal for dairying. The Boston department offered the services of a capable inspector for a few months to the St. John board, but it was reported that the provincial inspectors

were preparing to take up the matter more thoroughly. The board appointed a committee to confer with the municipal council, with the object of raising funds for the appointment of a dairy inspector to work under the board's control. The quarterly report of Dr. G. G. Melvin, medical health officer, showed a decrease of eighty deaths.

PARALYSIS AND
LOCOMOTOR ATAXIA

The most dreaded results of neglected nervous diseases—Study this chart and the symptoms stated here to learn if you are in danger—
DR. CHASE'S NERVE FOOD will cure you.

To understand paralysis and locomotor ataxia, which is paralysis of the limbs, and their causes, it is well to remember that every movement of the body or its members is due to the contraction of muscle, which can only take place under the influence of nerve force. As this all-important nerve force is created in the nerve centres of the brain and spinal cord, and conducted along wire-like nerve fibres to the various parts of the body, any derangement of the brain, spinal cord or nerve fibres may result in paralysis or loss of the power of movement.

Paralysis, then, is the natural result of all neglected nervous diseases.

If you find yourself nervous and irritable, oversensitive to light, sound and motion, addicted to continual movement or tapping of the fingers, twitching of the muscles, sudden startings and jerking of the limbs during sleep; if you have nervous headaches or dyspepsia, are unable to sleep or rest, feel downhearted and discouraged, and unfit to fight the battles of life; if your nerves are weak and exhausted, your blood thin and watery, you have every reason to fear paralysis at least some part of the body, and consequent suffering and helplessness.

Paralysis can always be prevented, and partial paralysis actually cured, by the timely use of Dr. Chase's Nerve Food. The time to begin treatment is when any of the above-mentioned symptoms become apparent. These are indications of a degeneration of the nerve cells, and when nerve force becomes exhausted, paralysis is bound to follow.

DR. CHASE'S
NERVE FOOD

acts on the system in an entirely different way to ordinary medicines. It is neither a stimulant to whip tired nerves to renewed activity, nor a narcotic, or opiate, to deaden the nerves. On the contrary, it is a food cure, which forms new, red corpuscles in the blood and creates new nerve cells. Every day it is bringing back health, strength and vitality to scores and hundreds who have become discouraged through the failure of doctors and other treatments to cure them. Why not get started on the way to health at once by using this great food cure? Dr. Chase's Nerve Food, 50 cents a box, 6 boxes for \$2.50. At all dealers, or EDMANSON, BATES & CO., LIMITED, Toronto. Write for booklet on "The Nerves."

Ask Your Druggist for 3 Months Treatment. 12 Boxes for \$5.00
