ENGLAND, RUSSIA AND PERSIA

London, Oct. 26.—The government was asked in the House of Commons whether there was any proposal pending for the appointment of a new financial adviser to Persia, and whether negotiations were proceeding to enable Persia to obtain an adequate loan.

Sir Edward Grey, the foreign secretary, said that Persia had been long recognized during the recent visit of M. Sazonoff, the Russian minister of foreign affairs, to England, that there was no proposal pending for the appointment of a new financial adviser to Persia, and whether negotiations were proceeding to enable Persia to obtain an adequate loan.

Sir Edward added that there were 12,000 troops in Persia in July, but 2,300 had left since that time. "I shall discuss the allegations that the Russians are provoking a violent type of comedy, was featured as the leading attraction with Taylor Williams as his chief accompanist. The "bunch of keys" girls were represented by Gertrude Lang, Madeline Dixon and Lillian Franklin. The performance proved acceptable to the major part of the audience, and evoked considerable laughter.

There is a matinee this afternoon and the last performance this evening is to be followed by an amateur show, an impromptu performance by several professional acts which are waiting over in the city and will be concluded by something new to St. John, an amateur wrestling contest for cash prizes.

TAKEN HOME**ON A MATTRESS****How a Sufferer From Sciatica Found Permanent Relief.**

Fierce darting pains, pains like red hot needles being driven through the flesh in the thigh, perhaps down the leg to the ankles—that's sciatica. None but the victim can realize the torture of this trouble, and many suffer from it hopelessly in the belief that it cannot be cured. This is a mistake; sciatica is a nerve trouble, and if the starved nerves are properly nourished with rich, red blood the trouble will soon disappear. Dr. Williams' Pink Pills make just the new, pure blood needed to feed the sciatic nerve and drive out the racking pain. It has been proved over and over again that they can do this and we offer now the following additional piece of evidence. Mr. E. H. Pastorious, Harrow, Ont., says: "Some years ago I was terribly afflicted with sciatica, starting just in my hip and then extending through my leg to the foot. At the time I was attacked I was away from home and had to be brought home on a mattress in a spring wagon, and the agony of the trip was almost more than I could endure. Reaching home I was not able to sit up and remained in bed for six weeks. The doctor did not help me and I tried a number of medicines recommended by neighbors. I paid \$5.00 a bottle for one preparation, but it was no better than the rest, and I began to think there was no cure for me. While suffering this untold misery Dr. Williams' Pink Pills were recommended, and my wife gave them a fair trial. Sold by all medicine dealers or by mail post, paid at 50 cents a box or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont."

If you are suffering from sciatica or any nerve or blood trouble, begin to cure yourself today by the use of Dr. Williams' Pink Pills, which will surely do for you what they have done for others, if you give them a fair trial. Sold by all medicine dealers or by mail post, paid at 50 cents a box or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont."

**DR. DEIMEL LINEN MESH****UNDERWEAR**

made of a two-ply composite thread, the chief part of which is linen yarn of superior quality. In order to bring out the full advantage of linen and correct its drawbacks when used as underwear, such as chilliness, lack of elasticity and durability, another select vegetable fibre—Abassi or Mace—is added to the linen yarn in the making of the thread. The composition of the yarn is the result of more than 10 years of investigation and practical experience, and as the thread is made expressly for these garments, no other kind can be produced exactly like the Dr. Deimel Underwear. Sizes 32 to 48, per garment \$3.
