

The Committee must again record a grateful acknowledgment of the sympathy and help it has received from the very numerous contributors to the Fund, both in the city and at the various summer resorts; from those who forwarded individual subscriptions, as well as those who assisted in the success of the numerous bazaars and concerts having the same worthy object in view. The members are indebted to the Railways for the excellent transport facilities provided, and especially to the following gentlemen, who, amongst others, courteously facilitated the work in every possible way:—James Stephenson, Esq., Supt. Grand Trunk Railway; Wm. Edgar, Esq., General Passenger Agent, and Mr. John Stone, Station Agent; D. McNicoll, Esq., Gen'l. Pass. Agent Canadian Pacific Railway; Angus Grant, Esq., Supt. G.N.W. Telegraph Co., who transmitted free all messages; Messrs. Willis & Co., for the free use of a piano during the summer at the Home; to Charles Alexander, Esq., for his services as Hon.-Treasurer, and to H. F. Lunan, Esq., for his special donation of furniture.

On behalf of the Committee,

JOHN NICHOLS,
Chairman.
