A MARVELLOUS REMEDY  
FOR A MARVELLOUS AGE!  
**Holloway's Ointment.**

THE  
GRAND EXTERNAL REMEDY  
By the aid of a microscope, we see mil-  
lions of little openings on the surface of our  
bodies. Through these this Ointment,  
when rubbed on the skin, is carried to and  
organ or inward part. Diseases of the  
kidneys, disorders of the Liver, effusions  
of the Heart, Inflammation of the Lungs,  
Asthma, Coughs and Colds, are by its  
means effectually cured. Every house-  
wife knows that such passes freely through  
bone or most of any thickness. This  
healing Ointment far more readily pene-  
trates through any bone or fleshy part of  
the living body, curing the most dangerous  
inward complaints, that cannot be reached  
by other means.

ERYSIPELAS, RHEUMATISM  
AND SCORBUTIC HUMORS.  
No remedy has ever done so much for  
the cure of diseases of the Skin, as this  
Ointment. It has cured Scabies, Scalds,  
Scurvy, Sore Heads, Scrofula, or Erysip-  
elas, cannot long withstand its influence.  
The inventor has travelled over many parts  
of the globe, visiting the principal hospitals,  
dispensing his Ointment, giving advice as  
to its application, and has thus been the  
means of restoring countless numbers to  
health.

SORE LEGS, SORE BREASTS,  
WOUNDS & ULCERS.  
Some of the most scientific surgeons now  
rely solely on the use of this wonderful  
Ointment, when having to cope with the  
worst cases of sores, wounds, ulcers, gran-  
dular swellings, and tumours. Professor  
Holloway has dispensed to the East large  
shipments of this Ointment, to be used in  
the worst cases of wounds. It will cure  
any ulcer, granular swelling, stiffness or  
contraction of the joints, even of 20 years  
standing.

PILES AND FISTULAS.  
These and other similar distressing com-  
plaints can be effectually cured if the  
Ointment be well rubbed in over the parts  
affected, and by otherwise following the  
printed directions around each pot.  
Both the Ointment and Pills should be used  
in the following cases:

Bad Legs, Chiefo-foot  
Bad Breasts, Chilblains  
Buns, Chapped hands  
Bunions, Corns (soft)  
Bite of Mosquitoes, Cancers  
and Sand Flies, Contracted and Stiff  
Coco-bay, Joints  
Elephantiasis, Fistulas  
Gout, Glandular Swelling  
Scurvy, Lumbago  
Sore Heads, Piles  
Tumours, Rheumatism  
Ulcers, Scalds  
Wounds, Sore Nipples  
Yaws

LET US REASON TOGETHER.  
**HOLLOWAY'S PILLS.**  
WHY ARE WE SICK?

It has been the lot of the human race to  
be weighed down by disease and suffer-  
ing. HOLLOWAY'S PILLS are special-  
ly adapted to the relief of the Weak, the  
Nervous, the Delicate, and the Invalid.  
All climates, ages, sexes, and constitu-  
tions. Professor Holloway personally as-  
superintends the manufacture of his medi-  
cines, and offers them to a free and  
enlightened people, of the best remedy the  
world ever saw for the removal of disease.

THESE PILLS PURIFY THE BLOOD.  
These famous Pills are expressly com-  
bined to operate on the stomach, the liver,  
the kidneys, the bowels, the skin, and the  
bowels, correcting any derangement in  
their functions, purifying the blood, the  
very fountain of life, and thus curing  
disease in all its forms.

DYSPEPSIA AND LIVER COM-  
PLAINTS.  
Nearly half the human race have taken  
these Pills. It has been proved in all parts  
of the world, that nothing has been found  
equivalent to them in cases of disorders of the  
liver, dyspepsia, and stomach complaints  
generally. They soon give a healthy tone  
to these organs, however much deranged,  
and when all other means have failed.

GENERAL DEBILITY.  
ILL HEALTH.  
Many of the most desperate Governments  
have opened their Courts of Justice to the  
introduction of these Pills, that they may  
become the medicine of the masses.  
Learned Colleges admit that this medicine  
is the best remedy ever known for persons in  
delicate health, or where the system has  
been impaired, as its invigorating prop-  
erties never fail to afford relief.

FEMALE COMPLAINTS.  
No female, young or old, should be  
without this celebrated medicine. It cor-  
rects and regulates the monthly courses at  
all periods, acting in many cases like a  
charm. It is also the best and safest  
medicine that can be given to children of  
all ages, and for any complaint; conse-  
quently no family should be without it.  
Holloway's Pills are the best remedy known for  
the following Diseases:

FOR ALL THE PURPOSES OF A  
**FAMILY PHYSIC.**

THERE has long existed a public demand for an  
effective purgative pill which could be relied on as  
sure and perfectly safe in its operation. This has  
been met by the introduction of a new and  
superior class of pills, which have been  
made the best of all pills—one which should have  
none of the objections, but all the advantages,  
of every other. This has been attained here, and  
with what success we would respectfully submit to  
the public judgment. It has been unfortunate for  
the patient who has taken almost every purgative  
medicine, in its various forms, and who has  
thereby done himself more harm than good, to  
contemplate the good to be derived from  
them. These pills produce no irritation or pain,  
and are perfectly safe in their use in any  
quantity, but it is better that any medicine should  
be taken judiciously. Minute directions for their  
use in the several diseases to which they are ap-  
plied are given on the box. Among the com-  
plaints which have been cured by them, we may  
mention Liver Complaint, in its various forms,  
of Jaundice, Indigestion, Loss of Appetite,  
Lactation, Irritability, Bilious Headache,  
Lungs Fever, Fever and Ague, Pain in the Side  
and Loins, etc. In fact, all those for the cure  
of which a cathartic is required. The pills  
cleanse and purify the system, and the body,  
and every one who has taken them will  
acknowledge the truth of the following  
testimonials.

Dr. J. C. HARRIS, Practical Chemist, of the
