lishers' banquet in New York, he said: without amendment.

Mr. Cannon also referred to the Associated Press as a syndicate, saying that was made up of publishers, and that

n turn the publishers made up the Associated Press. He declared that it was a great organization and that he would not "kill it if he could." "I lost my temper over the reciprocity act." said Mr. Cannon. "I felt that those who represent two-thirds of the eople were willing to sacrifice the others to answer the hysterical cry raised by the demagogues, the Democrats and newspapers."
