YOUMANS' CONCERTS :- During the week Mr. Youmans has given two certs in Masonic Hall, Chatham. He was assisted in the same manner as last year by his class, composed of a large num-ber of children, with his little niece, May Fitzgerald, as a special attraction. The ndance on both occasions was large and the performances very entertaining. Several of the town children developed reparkably good talent for such entertainments, while Miss May Fitzgerald made herself a decided favorite by her excellent singing and acting. Mr. Youmans possesses eret of organizing children for affairs of this kind, and well deserves the encour-

agement he receives wherever he is known. Honors:-Mr. J. J. Gaynor, of Chatham, whose success in carrying off the Martri-culation Scholarship of the Buffalo College of Physicians and Surgeons, was noticed in the press some time ago, has won fresh honors in the same Medical School. In the February examinations he took the "Wetmore Gold Medal" for surgery and miums for chemistry, toxicology, and anatomy. Mr. Gaynor's success is more than remarkable from the fact that the 3 prizes were won over the heads of students of all years. Mr. Gaynor studied medicine
