### Mews Summary.

The Manitoba Legislat ant of \$5,000 for the edu and dumb of that Pro-

ome months ago.

The government has decided to onstruct a telegraph line from 8t. reters, Cape Breton, to Louisburg, with n extension to Scatarie Island. The stimated cost will be \$13,000.

The Flying Yankee will resume herips between 8t. John and Boston n April 29th, at which time the spring rangement of trains go into effect. he summer time table begins on 24th une.

g measuring 10 inches. The tree con-inted 1,279 feats addilery firm of lenry & Lacroix, 8t. Paul street, Mon-real, have assigned, with direct liabili-es in the vicinity of \$110,000. The in-invect will bring the total up to \$200,000, he principal creditors are in England of the States.

—The position on the Western mail outs held by the late James Campbell, of t. John, who was killed on the Maine cutral Railroad over a week ago, has een assigned to A. S. Gross, formerly the route between Moneton and simple-liton.

and also the discoverp of gold at Ardoise Bill, Hants County, has created quite an excitement among the miners.

James Goodwin, who has had his rotary mill near Round Lake, N. 8., has cut this winter some 13,050 logs into deals and lumber for the Marine Railway, besides getting out a large number to any near his own phace, where he expects to move the mill fin a few days.

Lis is nimored that Waiter Fullerton, of Westbroon, M. S., will enter an action against the Cumic-Yand Coal and Railway Company, because the train did not stop to permit him to get on at Lewis's Crossing. The damages 're fixed at the neat little sum of \$10,000.

In an editorial on the Dominion Safety Fund Life Association, of St. John, N. B., the Budget, of Toronto, a regular insurance journal of high standing, says: "It is enrolled as a regular company by the department, and offers the public an excellent method of life insurance, opuriad ble and reliable."

ance, equitable and reliable."

Mr. Charles McLaughlin, of Pleasant
Hills, Economy, N. S., has captured four
bears since the beginning of 1889. In
January as he bear and two cubs, and
February 23rd a large bear weighing 500
pounds. He sold the heles, etc., to advantage and got the bounty money,
\$5.00 on each, and sent the carcasses to
Halifax.

The Allens because the since of the carcasses to

Halifaz.

— The Allans have submitted a tender to the government for providing rapid service steamers on the Atlantic, to run in connection with the Canadian Pacific Railway and the proposed line of fast teamers on the Bactific. It is stated by a member of the firm that the question novives the expenditure of a million counds sterling.

abdicate.

— One day recently Capt. Christie, of The Ledge, Charlotte Co., saw a vicious looking animal in the yard which sprang at the cat and tore it into pieces. A loaded gun was immediately brought into requisition, but the intruder bounded away. That night a trap was set and the animal captured. He was over three feet long and striped like a track the capture of the company's complete and the men are firm in their determination not to accept a reduction.

— The four greatest railways in the

set and the animal captured. He was over three feet long and striped like a tiger.

— In the Manitoba Le, islature, on Friday night, the four and a half milion guarantee act to the Hudson Bay Railway was repealed, and an act granting a cash bonus of \$2,000 per mile under certain conditions passed. The grant equals six hundred thousand dollars, which is practically useless to the promoters of the scheme. The Press Press says the reject is killed for the present by the very men who got into power by means of it.

— According to the eighteenth report of the Halifax School for the Blind, now ready, there have been 32 persons under instruction during the year, 20 of whom are makes and 13 females.—So of these have since graduated and left the school, making the actual attendance, Dec. 31st, 1888, 21, of whom if are makes and 10 females. Of these 16 are from the Prov-

of it.

— According to the eighteenth report of the Halifax School for the Blind, now ready, there have been 32 persons under instruction during the year, 20 of whom are males and 13 females.—5 of these have since graduated and left the school, making the actual attendance, Dec. 31st, 1888, 21, of whom 17 are males and 10 females. Of these 16 are from the Province of Nova Scotia, 8 from New Brunswick, 1 from Frince Edward Island, and 2 from NewSundland.

— A deputation has gone look after the project to bridge across the St. Las proposed bridge will street gueit to 'St. Helen's Islas spans, and from the Islas spans, and from the Islas charles with four spans. be made for a double train train cars, as well as a ro hicles and foot passenge is \$2,000,000.

Ceylon.

— Viscount Mandeville, eldest son
the Duke of Manchester, has been
clared bankrupt. His liabilities, it
said, are officially placed at \$600,000.

King Milan will remain comm in chief of the army during his minority. A rumor is current the Queen Natalie will return to Ser take up her residence at Kraguyev

year-old.

— The British man-of-war Sultan has been wrecked on the Island of Comino in the Mediterranean. The captain and crew were saved. The Sultan was an iron armor plated vessel of 9,220 ton, and carried 19 guins. She was temporarily attached to the Mediterranean with description.

squadron.

A deputation of gentlemen interested in the shipping trade have waited upon Sir Michael Hick-Beach, president of the Board of Trade, and have pointed out to him that under the regulations at present in force at Irish ports steamers pay smaller dues than those imposed on salling vessels. Sir Michael promised to medify regulations in the interest of salling vessels.

—In the Me

modify regulations in the interest of sailing vessels.

—In the House of Commens Lord George Hamilton, first Lord of the Admirality, stated, resently, that the delay in supplying the nary with guns was due to the failure of the system of linings, All ships, he said would be supplied by the end of the present year. He stated that the government proposed to build eight first-class men-of-war of 14,000 ton seab, two of 9,000 tons, nine first-class cruisers, 29 smaller civisers, forty of the Panders type of crusiers and 18 of the Sharpshooter type of torpedo vessels at a total cost of £21,500,000.

\*\*STED STATES.\*\*

UNITED STATES

a total cost of £21,500,000.

Harrison is the twenty-third President of the United States.

— The Reading Pa, iron works company have suspended with liabilities of a million dollars.

— Miss Mary L. Booth, editor of Harper's Busear, died at her residence, 101 East 50th street, New York, on the 5th inst.

— The British schooner Gleaner, Hønderson, master, from St. John for New York, has been seized at Booth Bay, Me, by the customs officers, for non-entry, and is now in charge of the resenue cutter Woodburn. The fine for this officers is fifteen hundred dollars.

— Sir Julian Pauncefote, the new British minister to the United States, will start for Washington about the end of this month, and after a short stay will return to London for the summer. In the autumn he will take his family to Washington for permanent residence.

— A plot has been discovered in Casismere against the life of the British

Why? Because PEARLINE takes the drudgery right out of house-cleaning Why? Because PEARLINE takes the druggery right out of nouse-cleaning—uses the work better—quicker and with less labor than anything known. Saves the worst of the wear by doing away with the rubbing. Cleans furniture—paint—carpets, without taking them up—pictures—glass—marble—bath tubs—everything too coarse, nothing too fine for PEARLINE. You'll appreciate this fact best by giving it a fair trial. House-cleaning time will pass so smoothly the men folks will not suspect its presence.

Manufactured only by JAMES 1241.8. New York.
