OGILVIE'S Hungarian Flour.

THIS FLOUR is the Highest Grade made on this Continent.

No other Flour will make as much bread to the barrel. Bakers make 150 two-pound loaves from one barrel of Ogilvie's Hungarian. THE PRICE is now so near that of Ontario flours, that you would lose money by buying any other.

IT ABSORBS more water than any other known flour; therefore, the bread will keep moist longer.

HUNGARIAN is made from No. 1 Hard Manitoba Wheat (acknowledged the best in the world), and scientifically milled by the latest improved methods.

MANITOBA WHEAT contains more gluten than any other wheat, and gluten is the property in the wheat which gives strength, and is much more healthful than starch, which is the principal element in winter wheat.

ARE YOU using Hungarian in your home? If not, give it a trial, and you will soon become convinced that it is the best and most wholesome flour that you have ever used.

THE BEST PUBLIC pastry cooks in Montreal use nothing but Hungarian for pastry, as it makes the very best pastry, if you will only use enough water.

FOR BREAD use more water than with any other flour. Give it time to absorb the water and knead it thoroughly; set to rise in a deep pan, and be sure your sponge is soft enough.

IF YOU follow the above directions you will have better bread than it is possible to get out of any other flour.

J. S. HARDING, St. John, N. B., Agent for the Maritime Provinces.

People
of refined musical taste buy their Pianos and Organs from the W. H. JOHNSON COMPANY, Ltd., 157 Granville Street, Corner of Buckingham, Halifax.

Bible Lesson Pictures (Roll), \$1.00 per quarter; \$4.00 per year.

OUR YOUNG PEOPLE.

The success of this admirable periodical has been phenomenal. "Better and better" is the motto for 1898. The year will open with a stirring story of Revolutionary Days in Our Republic, by the Rev. Everett T. Tomlinson; it will run through a large part of the year.

The Senora's Grand-daughter, by Mrs. Janie P. Duggan, will be commenced during the first half of the year.

Short stories by various authors are in hand or engaged.

Its several popular departments will be maintained up to the highest standard.

The equipment of a Sunday-school is defective if it does not include this unique and brightly paper for the young people.

WEEKLY. In clubs of four or more, thirteen cents for one quarter, or fifty cents a year. Single copies, sixty cents a year.

OUR BOYS AND GIRLS

Received hearty approbation during its first year; it will be better than ever next year. Its notable features will be Snapshots at small foreign folk, by the Rev. Harold Kennedy; An American Boy in the Transvaal, by Miss Elizabeth Flint Wade; Battlefields of Palestine, by Dr. Blackall; Annals of a Roguish Boy, by a distinguished Southern clergyman; Boys' and Girls' Morals and manners, by J. L. Harbour; Nature Studies, by Frank H. Sweet and Mrs. Dora E. W. Spratt; Twilight Talks, by several writers; Standard Books and what to do with them, by Miss Maude R. Henderson; and bright, breezy, sweet, and wholesome stories by well-known and competent authors.

WEEKLY. In clubs of five or more, eight cents for one quarter; thirty cents a year. Single copies, thirty-five cents a year.

THE YOUNG REAPER.

This paper is made up from Our Boys and Girls, to provide for schools that do not wish a weekly. It can be obtained either monthly or semi-monthly.

MONTHLY. Eight cents a year, in clubs of five or more.

SEMI-MONTHLY. Sixteen cents a year, in clubs of five or more.
