Grand Division, Sons of Temperance, Closed Annual Session Yesterday—Will Meet in Moncton Next Year.

The 66th annual convention of the grand division, Sons of Temperance, was brought to a close yesterday afternoon. It was decided that the per capita tax to the national division be paid quarterly, and that all district divisions meeting quarterly and reporting to the grand division, receive \$10 per year for propagation purposes.

Following the opening of the afternoon session, Rev. R. H. Stewart, assisted by Col. J. Armstrong, installed the officers for the ensuing year as follows: S. B. Bustin, St. John, G. W. P. Fred G. Moore, Hopedale, W. Associate; Rev. W. R. Robinson, St. John, grand scribe; H. M. Ferguson, Boston, grand treasurer; Wm. Lawson, St. John, grand chaplain; F. H. The State of the Order.

The committee on the state of the order submitted its report, expressing great pleasure at the gratifying work for the past year as attested to in the reports of the Grand Scribe and of the Grand Worthy Patriarch. The committee recommended that the provincial prohibition, the appointment of honest officials, better enforcement of the laws and the election of temperance men to parliament be taken up and discussed during the convention.

"This committee feels," the report continued, "that assistance should be rendered as far as possible by our lecturer to the organization of young people's bands. The work is important as they graduate from these bands to our order, and the young of the present will in the future have the guidance of our country's destiny and should be prepared to fight our foe."

The concluding paragraph of the report of the committee reads: "Your committee recommends that a forward movement be forthwith made to obtain local option where the work of the present will in the future have the guidance of our country's destiny and should be prepared to fight our foe."

"2—That such movement begin in the City of St. John, or if thought wise, all over the province at once."

"3—That a watchful eye be maintained upon any legislation that may be asked for in connection with the so-called \$1,000,000 hotel rumored to be built in a closed ward in the City of St. John. Otherwise as an act or charter for its formation may by some means drive a wedge into such ward and permit the corporation so formed to keep an open bar."

The report was discussed at length and adopted as a whole. The report of the committee of the ordinary committee submitted by Col. A. J. Armstrong made feeling reference to the work of the late J. E. Woodburn, W. W. Graham and Rev. W. W. Rahmle of Moncton. On motion the grand scribe was authorized to convey the sympathy of the division to the immediate relatives of the deceased brethren.

Political Committee Struck.

When the matter of selecting committees to carry out the different phases of the order's work for the year was taken up a committee was struck on political activity. The duty of this committee will be to interview the local government with a view to procuring a prohibition law for the province of New Brunswick. The committee is composed of S. B. Bustin, G. P. Moore, E. S. Hennigar, Rev. W. R. Robinson and Rev. R. H. Stewart.

CORNWALL'S MEN SPENT A GOOD DAY

British Naval Officers and Cadets Guests of Honor at Several Functions—Numbers Visit Warships.

The arrangements for the entertainment of the officers of H. M. S. Cornwall yesterday were carried out successfully. At 10 o'clock in the morning Capt. Hodges landed and paid a formal visit to city hall, returning the call of the mayor. The captain also called on Lt. Gov. Wood. Owing to pressure of other matters the lieutenant governor was unable to return the call yesterday, but he will visit the ship this morning at 10 o'clock, when it is understood he will be honored with a salute.

The Cornwall will sail at 2:00 o'clock this afternoon for Halifax, where she will coal for the trip to the West Indies.

His honor the lieutenant governor was the host at yesterday afternoon's luncheon at the Union Club at 1 o'clock in honor of the chief officers of the training ship. Covers were laid for 25 in the smaller dining room. The table which was circular in shape with an extension at one end, looked very attractive with the display of silver and cut glass and floral decorations of white and yellow chrysanthemums and greenery.

Gov. Wood sat at the head of the table, with Capt. Hodges on his right and Mayor Prink on his left. The other guests in addition to five officers from the Cornwall, were: Senator Daniel, Lt. Col. MacLaren, M. D., Wm. Downie, P. R. Taylor, Lt. Col. Baxter, J. M. Robinson, Maj. Armstrong, Col. H. H. McLean, W. H. Thorne, H. C. Schofield, Hon. J. E. Wilson, Dr. Thomas Walker, M. G. Teed, K. C., L. P. D. Tilley, M.P.P., and H. B. Schofield.

After the luncheon the officers were taken for an auto trip about the city. During the afternoon a large number of junior officers and cadets were entertained at the golf club. A number amused themselves playing golf. Quite a number of the members of the golf club were present, and as pleasant as possible. Mr. J. H. Frink and Mrs. H. B. Schofield were in charge of the entertainment.

Numbers Visit Ship.

Quite a number of citizens visited the ship this afternoon. The officers were given an opportunity to inspect their armaments and equipment. The officers and cadets were very courteous, and answered many questions, while otherwise, and explained the work of the new company, which has taken the attention of the curious. The visitors were chiefly impressed by the engines of destruction, aimed at the smartness of the tars.

Owing to the shortness of her stay, the local militia officers abandoned the idea of organizing an entertainment for her officers.

INDUCTION SET FOR NOVEMBER 14

Committee from Church Guarantees Salary of \$1500 and Free Manse—Dr. Morison Writes His Acceptance.

The call tendered to Rev. Dr. J. A. Morison by the Carleton Presbyterian church was sustained at the meeting of the Presbytery of St. John held in St. Andrew's church yesterday afternoon, when Rev. Dr. MacVicar presented the call which provides that Rev. Dr. Morison will receive a salary of \$1,500 per year, a free manse and a holiday of three Sundays. A letter from Rev. Dr. Morison intimating that he would accept the call, if sustained, was also read.

In support of the call a committee from the congregation of the Carleton church consisting of Wm. Rudick, James McLennan, S. D. Wilson, E. C. Bettison and W. B. Several matters with regard to the Sunday school work of the different churches were then taken up. Nothing definite was done and the matter will be gone into at the next meeting of the Presbytery.

TORONTO VISITOR MUCH IMPRESSED WITH ST. JOHN

F. S. Spence, of Toronto Harbor Commission, Praises St. John's Progress as Great Shipping Port.

F. S. Spence, of Toronto, commissioner in charge of the harbor works there, was in the city yesterday, before he left for the occasion to have a look at Courtenay Bay and inspect the facilities for handling ships and freight on the West Coast.

Mr. Spence was much impressed with the progress of St. John as a shipping port, recognizing that the difficulties of providing satisfactory shipping accommodation in a port with a big rise and fall of the tide, were greater than on a fresh water lake. Large sums of money are being spent by the government and the city on improvements in Toronto harbor.

Commercial Travellers. All resident commercial travellers who participated in Travellers' Day, Sept. 6th, are requested to attend a meeting in board of trade rooms, Saturday, Nov. 2nd, at 11 a. m., to dispose of the reports of the committee. By order of the chairman.
