"A series of charming Essays. . . . Each chapter branches out into innumerable topics of a sesondary and collateral nature, giving to the work a boundless diversity, enriched with stores of ethical as well as of spiritual wisdom, evincing at once acute observation of social life and of human character, and containing the noblest lessons for practical guidance. Our author's style is remarkable for its free, unconstrained flow, almost colloquial at times, but invariably signalized by elegance, force, adaptation to the subject, and not seldom by originality of thought in combination with terseness and beauty of expression. . There is about it a freshness, as well as a fullness of practical teaching, rarely to be met with in ordinary Biblical commentaries."—Londonderry Standard, Feb. 15, 1871.

"He reveals in the treatment of his themes strong common sense, a firm grasp of thought, a logical acumen and a clear insight into human character. Even when dealing with trite ideas he imparts to them a novelty and interest by which they are lifted into an importance they searcely deserve. The style throughout is lucid, pure, compact, forcible,—and it is his own—the garb of his own thinking. We have met in our perusal of the book with numerous paragraphs of finished and brilliant rhetoric—fine specimens of pulpit oratory. He is never tame nor tiresome. "This is a remarkably thoughtful; solid book's Mr. Bennet is evidently at home in Metaphysics and Ethics, and he is a shrewd observer of human nature in its ordinary munifestations; consequently he ranges over the lessons of the Preacher with a power of illustration which shews his mastery of the subject. The style is close and direct, and yet so lucid, that any reader may understand every sentence in the volume.

"THE WISDOM OF THE KING is well worth careful reading. Indeed you cannot read much of it at once. There is a constant play of fancy about the thoughts, and often the very words, that is admirably suited to the Scripture book, of which this is an exposition, but which demands such constant attention on the reader's part that he gets tired, for he does not know where it is to end. The style is compact, lucid, often sparkling and epigrammatic, the sentences cut sharply, but with a poetic fullness of original illustration that redeems them from all hardness."—Halifax Monthly Record, (Church of Scotland).
