FREEPORT, DIGBY Co., N. S., January, 1868.

James I. Fellows, Esq.—Dear Sir: In the winter of 1866, I was afflicted with a severe attack of Bronchitis, and although our dectors were very attentive, and used all means in their power, they failed to afford me much relief. I obtained your Compound Syrup of Hypophosphites, and took it until it made a permanent cure. I am now in perfect health and free from Bronchitis. Respectfully yours, MENDALL CROCKER.

drunkenness this morning was Ann King, who was arrested in North street. She is an old woman, and as this was her first offence the Magistrate let her go. She said it was neuralgia and not rum that ailed her, and, wishing "a long life to Yer Honor," she left the court room. "Betsy and I are out," was illustrated by the next case—in a new way, however. Mary Cumming, of Carleton, made complaint of Samuel her husband. Since 1837 they have lived together, and now both are old and feeble. The little money Samuel earns he spends in liquor. She is too feeble to support herself, and is too feeble to support herself, and when she appeals to him he abuses and strikes her. He, however, from her story, had hardly done enough to make it a case for the court, and the Magistrate, telling him to drink no more, sent them off. He promised to obey the injunction
