Sent To Committee To Make a Report To Council.

insufficient.

a merchant of Thorold. Ontario, giving evidence this afternoon before the royal commission inquiring into the hydro-electric power commission's radial railway schemes, said that the Niagara, and on the parts of lots number four and five in the seventh concession of the limited remuneration allowed him for work of considerable responsibility may make way for the appointment of a war veteran. It is possible that W. Hammersley, a member of the G. W. V. Mahon expressed the belief that Sir A., will be a favored nominee for the position. Mr. Hammersley was a system and make a success of it. He is afternoon before the royal commission's radial railway schemes, said that the Niagara, and on the parts of lots number four and five in the seventh concession of Yarmouth, shown on plan 218, appealed to the council tonight to take such proceedings as may be necessary to have all the lands shown on said plan taken into the city, upon the condi-

ten years.

The petition was not favored by the city solicitor, and he suggested that no action be taken until the city engineers reports on the cost of possible improvements that would follow the annexation of the territory.

Neither were the conditions satisfactory to the council. The petition, which was signed by 26 "electors," was given No. 1 committee.

given No. 1 committee.

Objects to Raise.

The advance in the salaries made to City Engineer Miller and Assistant Boughner in the treasurer's depart-ment was objected to by Ald. Stokes. The alderman opposed the increase because of present labor conditions. It was, said the alderman, taking from the poor man and placing the raise where there was no call for it. The majority of the council disagreed with Ald. Stokes, and the advances were allowed.

Deficit at Sanatorium.

The medical superintendent of the Queen Alexandra Sanatorium advised he council that there was a deficit during the year of \$28,270. In view of the deficit, the superintendent asked that the daily grant be increased by 28 cents, making the cost of maintenance \$1.50 a day.
