TUESDAY, JULY 16, 1901.

RAISE THE SALARY.

have at heart the welfare and best in terests of the Yukon territory that Mr. Congdon has resigned the position which he is so emineutly qualified to fill, that of legal adviser to the commissioner and members of the Yukon councl. But as a young man ambitious for his profession, himself and tion than a conversation of Father Genhis lamily, Mr. Congdon could not derau's in which he complimented this afford, for the meagre salary attached to paper for speaking the truth fearthe position to encumber himself with it, neither can any other man who is and I have discontinued the News. competent to guide from a legal stand My reason for doing so is that you point the destinies of this great and published the fact that freight was not growing district. There are many pettyfoggers who would jump at the offer of the position if tendered them, but a pettytogger is not wanted as he for one of the fathers who has recently would probably wreck the ship of state, arrived states that the facts are as figuratively speaking, on his first voy-

There is no doubt but that in recent and pending legislation Mr Congdon has already been worth many times his salary to the district and his successor hands and continue it without injury McGinly, Dominion; John Simpson, to the country, But can there be found Seattle; Robert Wood, Seattle; John to the country. But can there be found a man competent to fill the position who will do so at the salary stipulated? This is a question which the authorities at Ottawa will do well to give careful consideration. It is a business axiom that cheap men are most expensive in the long run and this applies in the learned professions the same as rin the ranks of labor. Make the salary attaching to the office of legal adviser

Monaghan, in 'West Peterboro, presented a lot of most interesting and good license laws strictly and impartially administered are a most powerful agency in promoting temperance. Mr. think that we have reached any final. out costs. ity or heard the last word with regard to the temperance question, but it will be generally admitted that the record

censes issued in the province in 1874 stood in relationship to the population cent. To put it another way, there was conviction for drunkenness tor 1889, and in 1899 one for every 826, We think it is fair to connect the two facts, and to attribute this remarkable social improvement to the diminution of the number of licensed houses throughout the province and to the vigilance with which the laws are enforced, particularly as to illicit selling.

The figures at so the consumption of liquor point in the same direction. We have not the figures for Ontario alone, but for the Dominion they made a very favorale showing as compared with other countries. The average

asumption of liquor for Australia, and France was 28.27 gallons per head,

CONSIDINE'S POLITICS. Just by way of setting right some of the small fry Democratic newspapers 6 00 ject, their attention is called to the fact that John Considine, now in fail for the killing of William L. Meredith, is a Democrat, and has had some part before he emigrated. He is not a Republican, never has been, and consequently has never had any political the Republican party. -P.-I.

That settles it. If Considine is not between day light and sun-up the fol-It is a matter of regret to all who lowing morning it will be derelict in his last orange, leaving his basket

stated in the Nugget. I do not wish out bills for collection and trouble to read untruths, consequently I wish frequently results from such neglect. There is one man in Dawson, however, who believes in itemizing his accounts and when one of them is presented for payment, if a man can afford to take the time to read it, he is apt to pay for fear he might have to read it a second time. The man referred to is an ex pressman and a few days ago he preis a true copy:

> The Dawson Hardware Co., Dr. To Blank for Express Services.

May 1st-Two flat bars of iron and one round do., 50 pounds of spikes in keg, tin of oil and sundry small things in oil case, a roll of two broad pieces of flat rubber sheeting, gunny sack of waste, small box of flax packing, etc,. etc., from the store to-some of the things to the steamer Gold Star and broken, blood at his lips, dead. He the rest to steamer J. P. Light-both was free. - Ex.

man from the store to-all, except the Dawson, Y. T., July 15, 1901. cr July 6th A load of shovels, picks, axes, crowbars, zinc buckets, etc., etc.,

Total \$7.

Please remit. There was no disputing the accuracy of the bill which the Dawson Hardware Company at once paid.

Did anybody in Dawson ever paus sufficiently long to consider what a great colony could be formed at some party of 500 in a few weeks. A nota- would be a great aggregation. Supcolony, Billy Tidball could supply me sort of gaming resort, Houston Fred Blank could sell "dose dry goots" would each find a field for his specialty. The whole would constitute an aggregation similar to what wight be ected if hades would take an emetic. If the average Dawsonite will trust his imagination for a moment he can hear Germain as chairman of the recep-tion committee extending the colonial

welcome to a newcomer thusly: "Why, my dear fellow, I assure you midst. We were just talking about you last night and hoping you would me. (Aside to his cabinet -I never did like the scoundrel). And now that you are here, it is my pleasure, as ounder of this colony and as postaster general, to extend to you my lear fellow, the privileges of the town

STROLLER'S COLUMN. way down.) Now, my dear tends (slapping him on the back) just make

When the Antelope ranch of northeastern Nebraska was in its prime there was kept in the corrals a black not until Saturday evening were the special service. If a child were sick effects of the latest brand observed, at the ranch house and needed a phyother horse on the ranch could. He basket of oranges. "Fenchy" wore a even in a day at that time journeyed bright red jag, one of the kind that 120 miles and flung his proud head high in the air, whinnying as if he Morgan if he has only six-bits in his could joyously cover that distance over

The black lived long and well at the Antelope ranch after he was tamed somewhat, but one day he broke the ounds of his corral by some chanc and, standing where the dip of the plain land came up to the bars of his late prison, he gave a triumphant scream and plunged into the wilderness before him. The ranchmen heard his cry. They came running, came just in time jewelers.

The sun went down, the night wind \$3. Regina Club hotel. came, and the black slacked his thirst in a stream almost on the border line of Nebraska and South Dakota. Then he swung on again, stronger, freer, Then he called, the wild challenge of the full blooded range horse to the female of his breed. The cry went up He looked disappointed for a moment and down on the night air. It rang at not being able to comply with the back from other rolls of land, and it request. Then he got action on his burst through the shadows of the valley right arm and with all the force at his and roused the mares. One, two, three they all called back. Below him was the sound of rising animals, the pattering of hoofs on range grass. He had found his own.

He could not see them so far below

was flesh and fire and blood, and he was free. Again he called, and again he was answered, and this was repeated Many people are careless in making several times. No need for him to wait longer. He leaped from his eminence, and he dashed down the rough way to where he knew he would be awaited. Heedless of rock and shale, heedless of gashed waterways now dry, he leaped on, spurring all earth behim he was quick and did not tall. have made an assignment of all their sented the bill of which the following ahead. Then for one instant there and effects, to me, George opened before him a horrible gulch, butcher, for the general benefit of their nsoundable, unknown. It had not peen there when last he was in this ing to him. Surrender? He drew off Cafe, First avenue, Dawson, on and went at it, rising in the air tor frightful span to cover, screaming statement of the affairs and for orderagain his wild song of freedom as he

> leaped. The pursuing ranchmen found him in the gulch's bed the next day, back
