I consulted our family physician and two other doctors, but they told me that about my time of life I was likely to be troubled in this way. I continually grew worse and despaired of ever being cured. Dr. Chase's Nerve Food came to my notice, and as we have Dr. Chase's Recipe Book I had confidence in the doctor. I was so surprised at the help I received from the first box that I bought three more. They built me right up and made me feel healthy and young again. They have proven a great blessing to me, and I hope this testimonial will be of the town be feel by the some weak, nervous woman surfering as I did."
