A citizen of Canada is a citizen of the world wide British Empire. As such he possesses the most splendid heritage, and is heir to the most glorious traditions. Surely such a citizenship should be safeguarded, treasured and developed by every feasible and legitimate means. The Empire's disintegration would push back the world's progress a century or more. It is the privilege of every Canadian to help avert such a disaster by straining every effort towards the further consideration of all the self-governing British States.

Tecumseh helped to save Canada to the British Empire in 1812. Through his efforts Hull surrendered at Detroit. Through the work of his brave Western Canada the West of that day—was saved from the ravages of war. On the battlefield of Moravien the great Indian fell, and his remains were secretly buried by his comrades. There has been doubt as to the whereabouts of his grave; but tradition has located it on St. Anne's Island, and there the bones of an Indian of unusual height have been exhumed. It is probable that the remains found are those of the friend of Britain. If so, they should be honorably re-interred, and a memorial, worthy of the man, should be erected over them.

Worst Case Of Eczema. Cure only came when doctors gave up and DR. CHASE'S OINTMENT was used.

Mr. Wm. Miller, St. Catharines, Ont., writes:—"My daughter Mary, when six months old, contracted eczema and for three years the disease baffled all treatment. Her case was one of the worst that had ever come under my notice, and she immediately suffered what no one could ever describe. I had three different doctors attend her all to no purpose. Finally I decided to try Dr. Chase's Ointment and to my surprise she was completely cured of that long standing disease. That was four years ago when we lived at Cornwall, Ont. and as not a symptom has shown itself since, the cure must be permanent."

The record of cures which Dr. Chase's Ointment has to its credit have placed it alone as the standard cure for eczema and all forms of itching skin disease. Do not be misled with imitations or substitutes, 50 cents a box at all dealers or Edmundson, Bates & Co., Toronto.
